## OUR WORLD CRUISE RETURNS IN 2018

The overwhelming response to our 2017 World Cruise inspired us to create another remarkable itinerary, one that celebrates the places that make our world so fascinating and, most importantly, one that highlights legendary faraway lands that are well off the beaten path.

We knew that in order to bring our vision for this fantasy voyage to life and reach those appealing ports that world travelers wish to visit, we would have to expand the number of nights. And that's exactly what we did, because we believe that to truly enjoy a sailing around the world, you must experience it like a true navigator, a true explorer...without the constraints of time.

Among the extraordinary places you will see aboard this epic 137-night journey are the scenic wonders of Africa, from Cape Town's world-famous Table Mountain to the white-sand beaches and granite peaks of Mahé — and in both of these places, you will delight in unforgettable overnight stays. And Africa is just one of five magnificent continents you'll visit. Enjoy sailing the vast Pacific Ocean where you will see the lush islands of Hawaii appear on the horizon and the impressive fjords of Milford Sound fade behind you, as you set your course toward the iconic world city of Sydney. Traverse the Atlantic Ocean to discover the majesty of the Brazilian Amazon and the charm of the island nations of the Caribbean.

As always aboard our World Cruise, revel in exclusive onshore experiences, enveloped in all-inclusive luxury and pampered by impeccable service in the company of an intimate group of like-minded globetrotters.

2018 is your year to *Navigate the World*.
