Michael Zarren '94

Dear Friends of Waring,

It is with great pleasure and pride that I share with you Waring School's 2017 Annual Report of Giving.

As you may know, 2017 was a tremendous year for Waring School. Prior to the end of our fiscal year, we reached our 2-year goal of \$550,000 in a Major Gifts Initiative for increased diversity through financial aid, a strategic Campus Master Plan, and faculty and program development. In addition, thanks to the generosity and outreach of several founding parent donors, we raised over \$80,000 toward a Faculty Grant Program endowment that will allow faculty the chance for personal fulfillment outside the classroom. We raised a record \$92,450 during the spring auction paddle raise, which made it possible to open a new Makerspace that now offers our students increased opportunities in STEM curricula, including the launch of a First Lego League Team.

With strong enrollment and philanthropy over the last two years, and with a growing endowment (now nearing \$7 million), I am pleased to report that Waring School stands on sound financial footing. We have been able to increase our tuition assistance to \$1.17 million annually, granting an average of \$16,500 to the many families who qualify for this program. As a result, Waring is increasingly diverse, not only in the ways we teach and learn, but also in the families who make up our community.

In the midst of all of these initiatives, we are continuously building a strong community of learners that is driven by ideas. Promoting inclusion and building a culture of mutual understanding will ensure that each student can also see the world through the lens of others. We continue to expand our horizons while maintaining all of the special Waring traditions such as Endterm, student travel and multi-age tutorial groups.

These accomplishments happen in large part because of you, our supporters, whose generosity is described in the pages that follow. It is only with your help and vision that we can continue to offer the distinctive education that sets Waring graduates apart as they head off to college and go on to make their individual marks on the world.

On behalf of all us at Waring, please accept my deepest gratitude for your support of Waring School and our mission to promote lifelong learning. We feel the impact of your philanthropy every day.

Kind regards,

A handwritten signature in black ink, appearing to be 'TB' or similar initials, followed by a flourish.

Expense Sources

In compiling this report, every effort has been made to ensure that the information is accurate and complete. Please direct any changes, errors or omissions to the Office of Advancement and accept our apologies.

Total Giving by Level

The School is indebted to each of these families for their generous investment in Waring's present and its future. This support allows Waring to continue to create and sustain a community of lifelong learners who are working together for the individual and common good. The names below represent total cash contributions to Waring between July 1, 2016 and June 30, 2017.

Dear donor,

Thanks for giving to Waring! I can guarantee that the money you gave will be put to good use. I think it's amazing how many excellent teachers we have here, so it's good to know that, thanks to you, we will continue to have such a good learning experience. I look forward to my physics class every day, amongst others. You are, in part, the reason why!

Waring Fund

The Waring Fund is the cornerstone of all fundraising at the school. Waring Fund donations are unrestricted and used to support faculty, meet emerging program needs, maintain Waring's beautiful campus, increase the diversity of our learning community through financial aid, and help bridge the gap between tuition income and operating expenses. The Waring Fund makes a real difference in the lives of our students and faculty every day. We are grateful to all who participate.

Board of Trustees

The Waring Board of Trustees gives generously of their time, talent and treasure. 100% of the Board contributed to the Waring Fund this year and exemplified generosity for the rest of the community. Thank you to the Board for their extraordinary leadership of Waring.

Faculty

For the second consecutive year, 100% of Waring's faculty and staff contributed to the Waring Fund. Their vote of confidence in the school sets an example for the rest of the community. The faculty give back to Waring in countless ways, and we are grateful for their participation in the Waring Fund.

Parents

It is with great appreciation that we thank our current Waring parents for their generous commitments to the Waring Fund. Parent participation in the Waring Fund makes an enormous impact on each student's experience and also symbolizes parents' collective stake in the School.

Alumni

Making a gift to the Waring Fund is one of the most significant ways in which alumni can support the students and faculty, as well as contribute to the overall health of the school. Alumni are “caretakers” of their alma mater, and their gifts reaffirm their belief in the value of a Waring education. Thanks to the many alumni who made a Waring Fund contribution this year.

Amelia Wyler

Dear donor,

Thank you so much for your contribution. It is this type of selfless giving that makes our community thrive. Because of your gift we are becoming a school that offers a much larger array of opportunities both for students coming to Waring from different backgrounds and innovations in our learning. One example of this is the Waring Industrial Park which opened this year. I have already expanded my learning in many ways because of this new building.

Sincerely,
Jared W

Gifts-in-Kind

Waring appreciates the gifts-in-kind donated by our community. Listed here are individuals who donated tangible items to the School.

Dear Donor,

Thank you so much for donating to the Waring Fund. The Waring Fund helps pay for so much of what makes Waring special: our trips to francophone countries, our terrific faculty and the tuition for the majority of our students. Your donation has ensured that Waring is able to continue its mission of serving students by providing the most individualized and thorough education possible. Simply can't thank you enough.

Sincerely,
Alius

Auction

On April 27, 2017, Waring held its annual auction, "La Dolce Vita," led by auction chairs Renée and Mitch Mitchell. The Auction raised over \$65,000 in net profits for Waring. Thank you to those who attended, donated items, purchased items, and volunteered their time to make the auction a success.

Makerspace Paddle Raise

At the April 2017 Auction, guests were invited to participate in a “paddle raise” to contribute funds for the creation of a Makerspace. Thanks to the generosity of an anonymous donor, all pledges up to \$20,000 were matched to double the impact. The paddle raise collectively raised \$92,450. Donors to the Makerspace are graciously acknowledged below. Waring is grateful to each of these contributors for their investment to create the new “Waring Industrial Park.”

Faculty Grant Program

Waring's faculty has been its greatest asset since the school was founded. In 2017, to express their appreciation, Waring parents created an endowment to fund a program to benefit Waring's faculty in perpetuity. Waring is grateful for the legacy established by its dedicated parents. The purpose of the Faculty Grant Program (FGP) is to provide funding for Waring School faculty and staff to pursue enriching experiences outside the walls of the school that broaden their personal and professional horizons. It is expected that they will then bring that experiential knowledge back into the classroom to inform and enrich their students' learning. These opportunities will be funded outside of the normal Waring professional development budget. Endowed funds designated for the Faculty Grant Program will help the School attract and retain outstanding educators for generations to come.

Thank you to the following founding donors who made leadership commitments of \$5,000 - \$20,000 to establish an endowment of designated funds for the Faculty Grant Program.

William & Kimberly Smith

The Class of 2017 parents established a tradition of making a capstone gift to the Faculty Grant Program at the time of their child's graduation from Waring. Thank you to the following parents of recent graduates for helping to raise over \$80,000 for the program's endowment.

Major Gifts Initiative

From 2015-2017, Head of School Tim Bakland led a Major Gift program to support the strategic plan initiatives: increasing diversity, completing a campus master plan and supporting faculty and program. The following donors committed major gifts of \$10K+. The following generous major gifts donors have a profound impact on Waring, and ensure that students receive an unparalleled education.

Gifts of Time – Waring Volunteers

We are grateful to the dozens of current parents who generously donated their time and talent to Waring this year. Our daily successes would not have been possible without their valued support, whether helping our Parents' Group, serving on committees, or hosting events. Thank you for making such a wonderful difference in our vibrant community.
