INTERPRETERS ASSOCIATION

Leading the advancement of professional interpreters

Commission of Medical Interpreter Education (CMIE)

33 Bedford Street, Suite 9, Lexington MA 02420-4403, 617-636-1798

Accreditation Approval

September 25, 2017

Dear Dr. Nelva Lee,

On behalf of the IMIA Commission of Medical Interpreter Education (CMIE), we would like to thank you and The Medical Interpreting and Translating Institute Online for participating in the accreditation program, and we cordially value your input and contribution to the process.

After the completion of the site audit, the CMIE met and reviewed site auditor Jorge Rudko and co-auditor's Nina Scott's reports and recommendations, adjustments made in the training program based on the site auditor's recommendations, and all pertaining documents including the training program's website and published data.

We are pleased to inform you that your program, categorized as a non-academic, **has passed** the required accreditation standards.

Congratulations on your accreditation!

We hope that the accreditation process was helpful to your organization in identifying best practices and areas for improvement in your training program.

Sincerely,

Juana Horton
IMIA President

Jorge Rudko
CMIE Chairperson
