Manufacturing Day: Preparing to Export

If you are in the manufacturing industry, this is a day to celebrate you. For this special FRIDAY Lunch to Learn, we will have a panel of Import/Export experts available to talk to you about how you can grow your business and increase your revenue through consumers outside the borders of the United States.

11:00 pm Networking

12:00 pm Lunch To Learn

1:00 pm Optional One on Ones Begin

Presenter Aaron Miller works with the Virginia Small Business Development Center's International Trade Initiative. The Virginia SBDC offers one-on-one counseling and an array of training programs for Virginia based firms with a global presence and vision. Taking your business global is a huge undertaking. Make sure you've done your homework and invested the necessary time upfront to avoid costly mistakes. The Virginia SBDC, along with our many partners in the public and private sector, are available to help you seize the immense opportunities that exist for American companies committed to international markets.

**If you are interested in a one on one meeting,
please contact the SBDC at 434-832-7295.**
