

Pediatric Practice Management at Sea

Don't miss the boat....practical tips from fellow practicing pediatricians, all in an informal setting—in the Caribbean

There's Nothing Nicer than a new ship

Who knew dry ice could be so much fun...

- The Molecular Bar

And for PE class....

- Croquet, Bocce ball, and swimming

From fine to fun dining

Relax in the spa

- Cold room, sauna, Persian Garden, etc.....

Any drink, any place....

Visiting warm destinations

- San Juan, St. Maarten, St. Kitts

And at the end of the day...

Retreat to the cabin of your choice....

“Learning on board”

Whether it's wine pairings, napkin and towel folding, how to ballroom dance, or the variety of Apple computer classes, there's something for everyone

Even the young ones are welcome

Entertainment, Anyone???

Nightly shows in the theater, string quartet concert on the lawn, casino

And of course, there's good company.....

- Casual “shop talk” with other SOAPM folks

Space is still available
