The Goryeb Children’s Hospital is proud to present our 11th Annual Continuing Medical Education Conference at Skytop Lodge in Pennsylvania, a weekend program on topics of interest to practicing pediatricians, family practitioners, advanced practice nurses and office managers.

Set on 5,500 pristine acres, Skytop Lodge (skytop.com) offers the perfect combination of facilities and services to enhance our conference. The newly opened Executive Conference Center at Skytop is a state-of-the-art facility featuring the latest audio-visual equipment, and countless amenities.

Learning Objectives
At the conclusion of this activity, the participants should be able to:

- Evaluate and manage a broad range of general pediatric outpatient topics;
- Evaluate and manage food allergies in children;
- Discuss prevention of atopic disease through diet;
- Diagnose and differentiate tics and behavioral treatment of tic disorders;
- Recognize, screen and treat anxiety disorders in children and adolescents;
- Summarize immunization recommendations for 2009;
- Describe what is new with Strep Pharyngitis;
- Refresh physical examination skills;
- Generate differential diagnoses based on laboratory examination;
- Run an efficient office practice.
