

COVID-19 PROTOCOLS

New protocols to keep patients and staff safe!

OUR NEW LOOK WITH PROTECTIVE GEAR

Brush and floss your teeth before your appointment. Our brushing stations are temporarily closed.

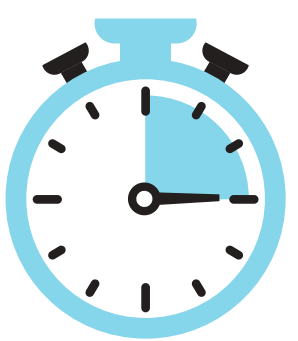

Arrive wearing a mask and keep 6 feet distance between you and other patients.

Patients should come unescorted unless too young or if they need assistance.

Please wait in your car until your appointment time. Our reception areas are closed.

At your scheduled appointment time, you may proceed to our front door

A member of our team will let you into the office, and perform a health screening.

When your appointment is finished, you will be assigned your next appointment day & time.

If you have questions about your treatment or next appointment, please email or call us.
