MARCH SCHEDULE

MON.	TUES.	WED.	THUR.	FRI.	SAT.	SUN.
1	2				Game vs. Colorado

				Game vs. Georgia		
					Game @ Toronto	

1. Can you fill in the calendar with the correct dates for each day?

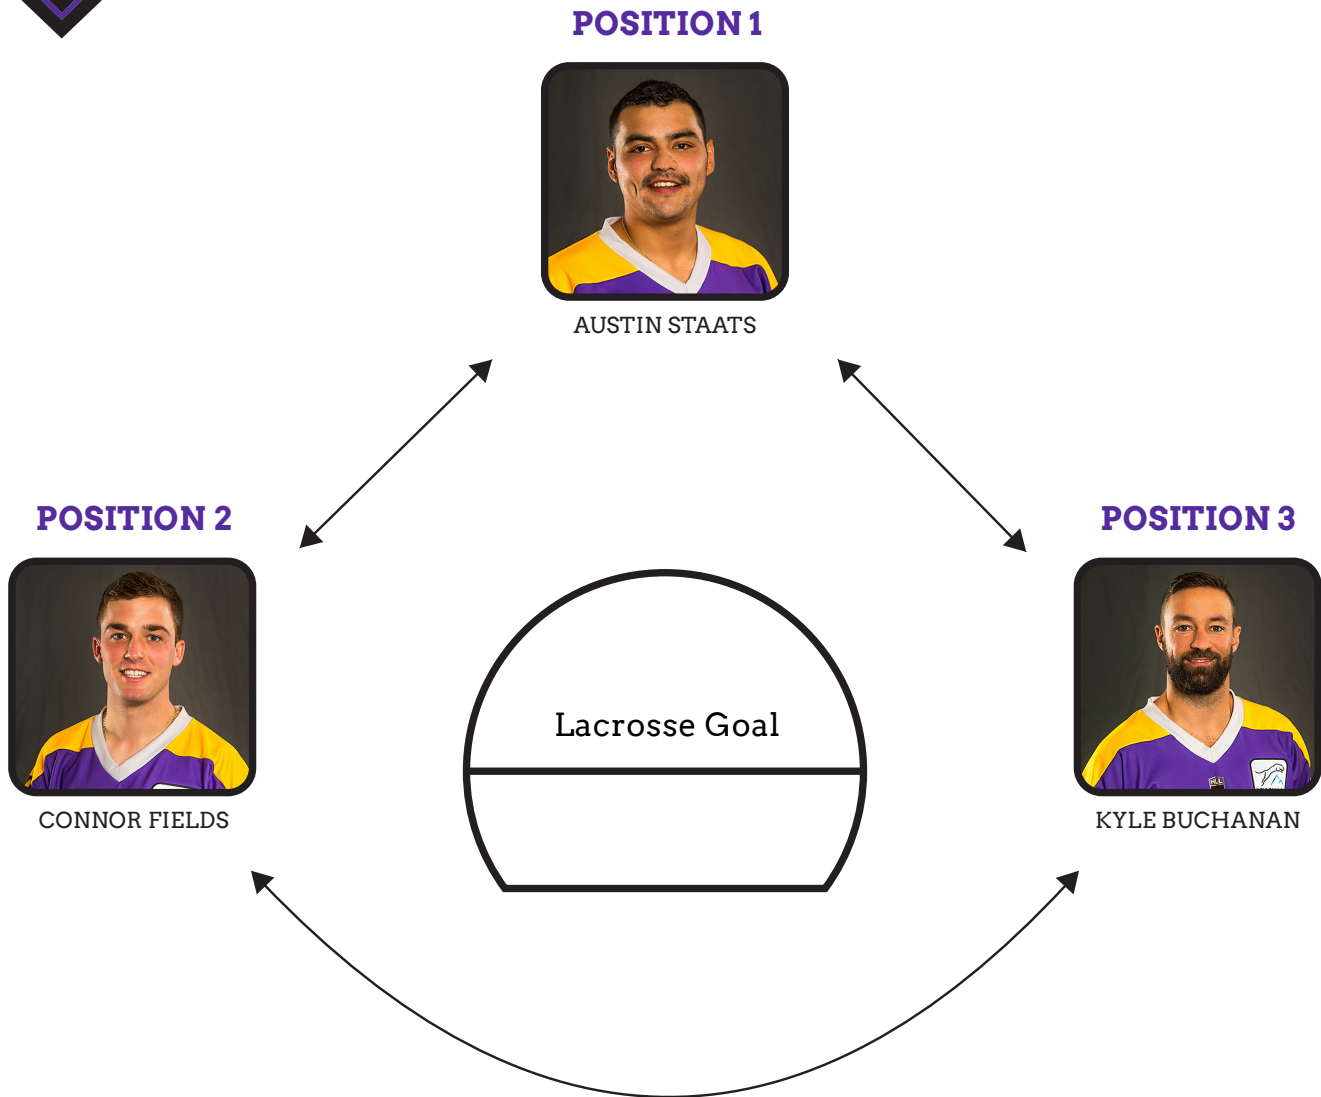

(Hint: March has 31 days in it.)

2. How many weekends (Saturday + Sunday) are in March?

3. On game days, if it says "vs." then it is a home game. If it says "@" (meaning "at") then it is an away game. After the Seals beat the Colorado Mammoth during the first weekend, how many days is it until their next home game?

HELP THE SEALS FIND THEIR POSITION

Kyle Buchanan, Connor Fields, and Austin Staats are all on the Seals offense.
For this particular play, each of them can rotate and switch positions.

1. If the Seals rotate one position clockwise, where would Connor Fields position be?
2. If the Seals rotate two positions counter-clockwise where would Austin Staats position be?
