

ALTVIA ANSWERS

A DATA VISUALIZATION SOLUTION

Your data is spread across multiple, disparate systems. Altvia Answers can transform your data and analytics into actionable intelligence and give you the answers to questions you didn't know you had. An end-to-end business intelligence solution that connects to, transforms, normalizes, and displays all of your data, Altvia Answers makes it easy to perform complex analyses at any time.

KEY BENEFITS

EXPLORE THE DATA PASSAGE

Discover the "new world" in analyzing your data by viewing it all, simply and easily.

VIEW AND USE ANALYTICS & METRICS

Track deal sources, investment types and deal flow to better understand your investors

GAIN VALUABLE INSIGHTS

Create actionable reports on fundraising progress, deal flow and more

DATA VISUALIZATION

Increase interactivity through different data visuals, user-by-user filtering, panning and more

DISCOVER ONE TRUTH

Ensure your team looks at the single source of data to make the best decisions

CENTRALIZE YOUR DATA

Answer any question, at any time with one centralized system

OUR SOLUTION

Altvia Answers turns data into meaningful information, providing intelligence about clients, partners, and competitors while optimizing and streamlining business. It's a holistic solution that brings all of your data together into a single source of truth, removing error-prone processes to answer your questions in visually compelling dashboards and reports. Altvia Answers makes it easy to perform complex analyses by integrating with almost any system. Differentiate by unleashing the power of your relationships and data through engaging in a best-in-class, complete business analytics solution.

With the shift from IT-led reporting to modern, business-led analytics, Altvia Answers is a future-proof solution specifically for these business users to visualize and interact with data to gain new insights that can make an impact on market opportunities.

-JEFF WILLIAMS, VICE PRESIDENT, PRODUCTS, ALTVIA
