NAVIGATING THE STORM OF COMPLIANCE CHAOS

TOTAL COMPLIANCE TRACKING

TCT COMICS

ISSUE 2

THIS GROUP HIRED ME TO TAKE THEM THROUGH A COMPLIANCE ASSESSMENT. THEY LOOK READY TO GO, BUT INSIDE THEY'RE CONFUSED AND FRUSTRATED.

I'VE GOT TO UNDERSTAND WHERE THEY'RE REALLY AT, OR I WON'T BE ABLE TO LEAD THEM FORWARD.

I LOVE MY CLIENT, BUT THEY AREN'T READY FOR THIS JOURNEY. THEY DON'T KNOW ABOUT THE JAGGED TERRAIN OR THE STORM OF CHAOS THAT'S COMING.

BEFORE WE SET OUT, I CLARIFY EXPECTATIONS AND LAY OUT THE ROADMAP. THEY NEED TO KNOW WHAT THEY'RE GETTING INTO BEFORE THEY HIT THAT TRAIL.

AFTER YEARS OF COMPLIANCE ENGAGEMENTS, I KNOW THE VALUE OF PACKING THE RIGHT GEAR. I ONLY RELY ON TOOLS SPECIFICALLY DESIGNED TO AUTOMATE COMPLIANCE MANAGEMENT.

TCT PORTAL IS BUILT TO SUPPORT THE FULL WEIGHT OF COMPLIANCE, AND IT'S THE STAFF I LEAN ON MOST.

IT'S NOT JUST MY CLIENTS THAT RUN INTO PROBLEMS. WHENEVER I ASSEMBLE A TEAM OF ASSESSORS, WE RISK STEPPING ON EACH OTHER'S TOES. IT'S ON ME TO BE SURE EVERYONE KNOWS THEIR ROLE, STICKS TO THE PLAN, AND KEEPS COMMUNICATING.

TO GUIDE MY CLIENTS SUCCESSFULLY THROUGH THE ASSESSMENT, I'M CONSTANTLY WATCHING FOR THE STORMS AHEAD. AFTER YEARS ON THE TRAIL, I CAN READ THE SIGNS AND SPOT THE TROUBLES WAITING FOR US. COMPLIANCE IS A TEMPEST OF CHAOS, BUT I CAN MINIMIZE THE DAMAGE BEFORE IT HITS.

SUBMISSIONS CAN BE A SWIRLING, MASSIVE CYCLONE OF ACTIVITY. CLIENTS ARE CONFUSED, TIME IS SLIPPING FAST, AND PRESSURE IS BUILDING.

ALL THIS CHAOS CAN THREATEN TO SUCK CLIENTS IN. TCT PORTAL HELPS ME TO MINIMIZE THE DAMAGE BY SIMPLIFYING SUBMISSIONS AND AUTOMATING THE PROCESS.

MOST CLIENTS FLAKE OUT AT SOME POINT. THEY SUDDENLY DROP OFF THE FACE OF THE EARTH, OR THEY ONLY GIVE HALF AN EFFORT. IF THEY WANT TO GET THROUGH THE COMPLIANCE JOURNEY IN ONE PIECE, THEY'LL NEED ME TO KEEP THEM ACCOUNTABLE --AND I WON'T HESITATE TO DO IT.

AT THE END OF THE JOURNEY, I DELIVER MY CLIENTS AND THE REPORT ON COMPLIANCE SAFELY ACROSS THE FINISH LINE. TCT PORTAL AUTOMATES THE PROCESS AND MAKES IT EASY FOR ME TO TAKE CARE OF MY CLIENT TILL THE VERY END.

About Total Compliance Tracking

Total Compliance Tracking is dedicated to helping you guide your clients safely through their compliance assessments. We're your partner for gaining control over a complex compliance environment —so you can do your best work without the chaos.

TCT Portal is an automation platform that connects the dots between your assessment firm and your clients to make compliance easy to manage, track and coordinate. There really is a better way to take control of all of your compliance engagements.
