

ISSUE 1

SIR CISO SLAYS THE COMPLIANCE DRAGON

YOUR ANNUAL COMPLIANCE CYCLE IS COMING YOUR WAY, AND THERE'S A FOUL BEAST LURKING IN THE SHADOWS. IF YOU DON'T FEEL THE COMPLIANCE DRAGON BREATHING DOWN YOUR NECK YET, YOU WILL SOON.

SIR CISO SIZES UP HIS FOE. FOR THE FIRST TIME, HE TRULY KNOWS WHAT HE'S DEALING WITH. AND IT'S MONSTROUS.

HOLY CRIPES...

TIP

SURVEY YOUR COMPLIANCE LANDSCAPE AND KNOW:

- WHAT YOU'RE ALREADY COMPLYING WITH
- YOUR INDUSTRY'S REQUIREMENTS
- YOUR LEGAL REQUIREMENTS
- YOUR CLIENTS' EXPECTATIONS

TIP

ASSESS YOUR AUDITORS, VENDORS AND PARTNERS. DO YOU HAVE THE ALLIES YOU NEED TO SLAY THE DRAGON?

WITHOUT THE RIGHT ALLIES ON HIS SIDE, **CISO** WON'T SURVIVE THE DRAGON.

I HOPE THIS IS ENOUGH TO BUY THE WEAPONS WE NEED.

IS THIS EVERYTHING YOU HAVE?

IT'S ALL I COULD GET.

TIP

YOUR BUDGET IS CRITICAL TO THE REST OF YOUR JOURNEY. GET YOUR BUDGET RIGHT AND YOU'LL BE EQUIPPED TO DEFEAT THE DRAGON. GET IT WRONG AND YOU COULD GET BURNED.

TIP

TECHNOLOGY IS A POWERFUL WEAPON. AUTOMATE EVERYTHING YOU CAN, BUT CHOOSE THE TOOLS THAT FIT YOUR SITUATION BEST. DON'T BUY WHAT YOU DON'T NEED.

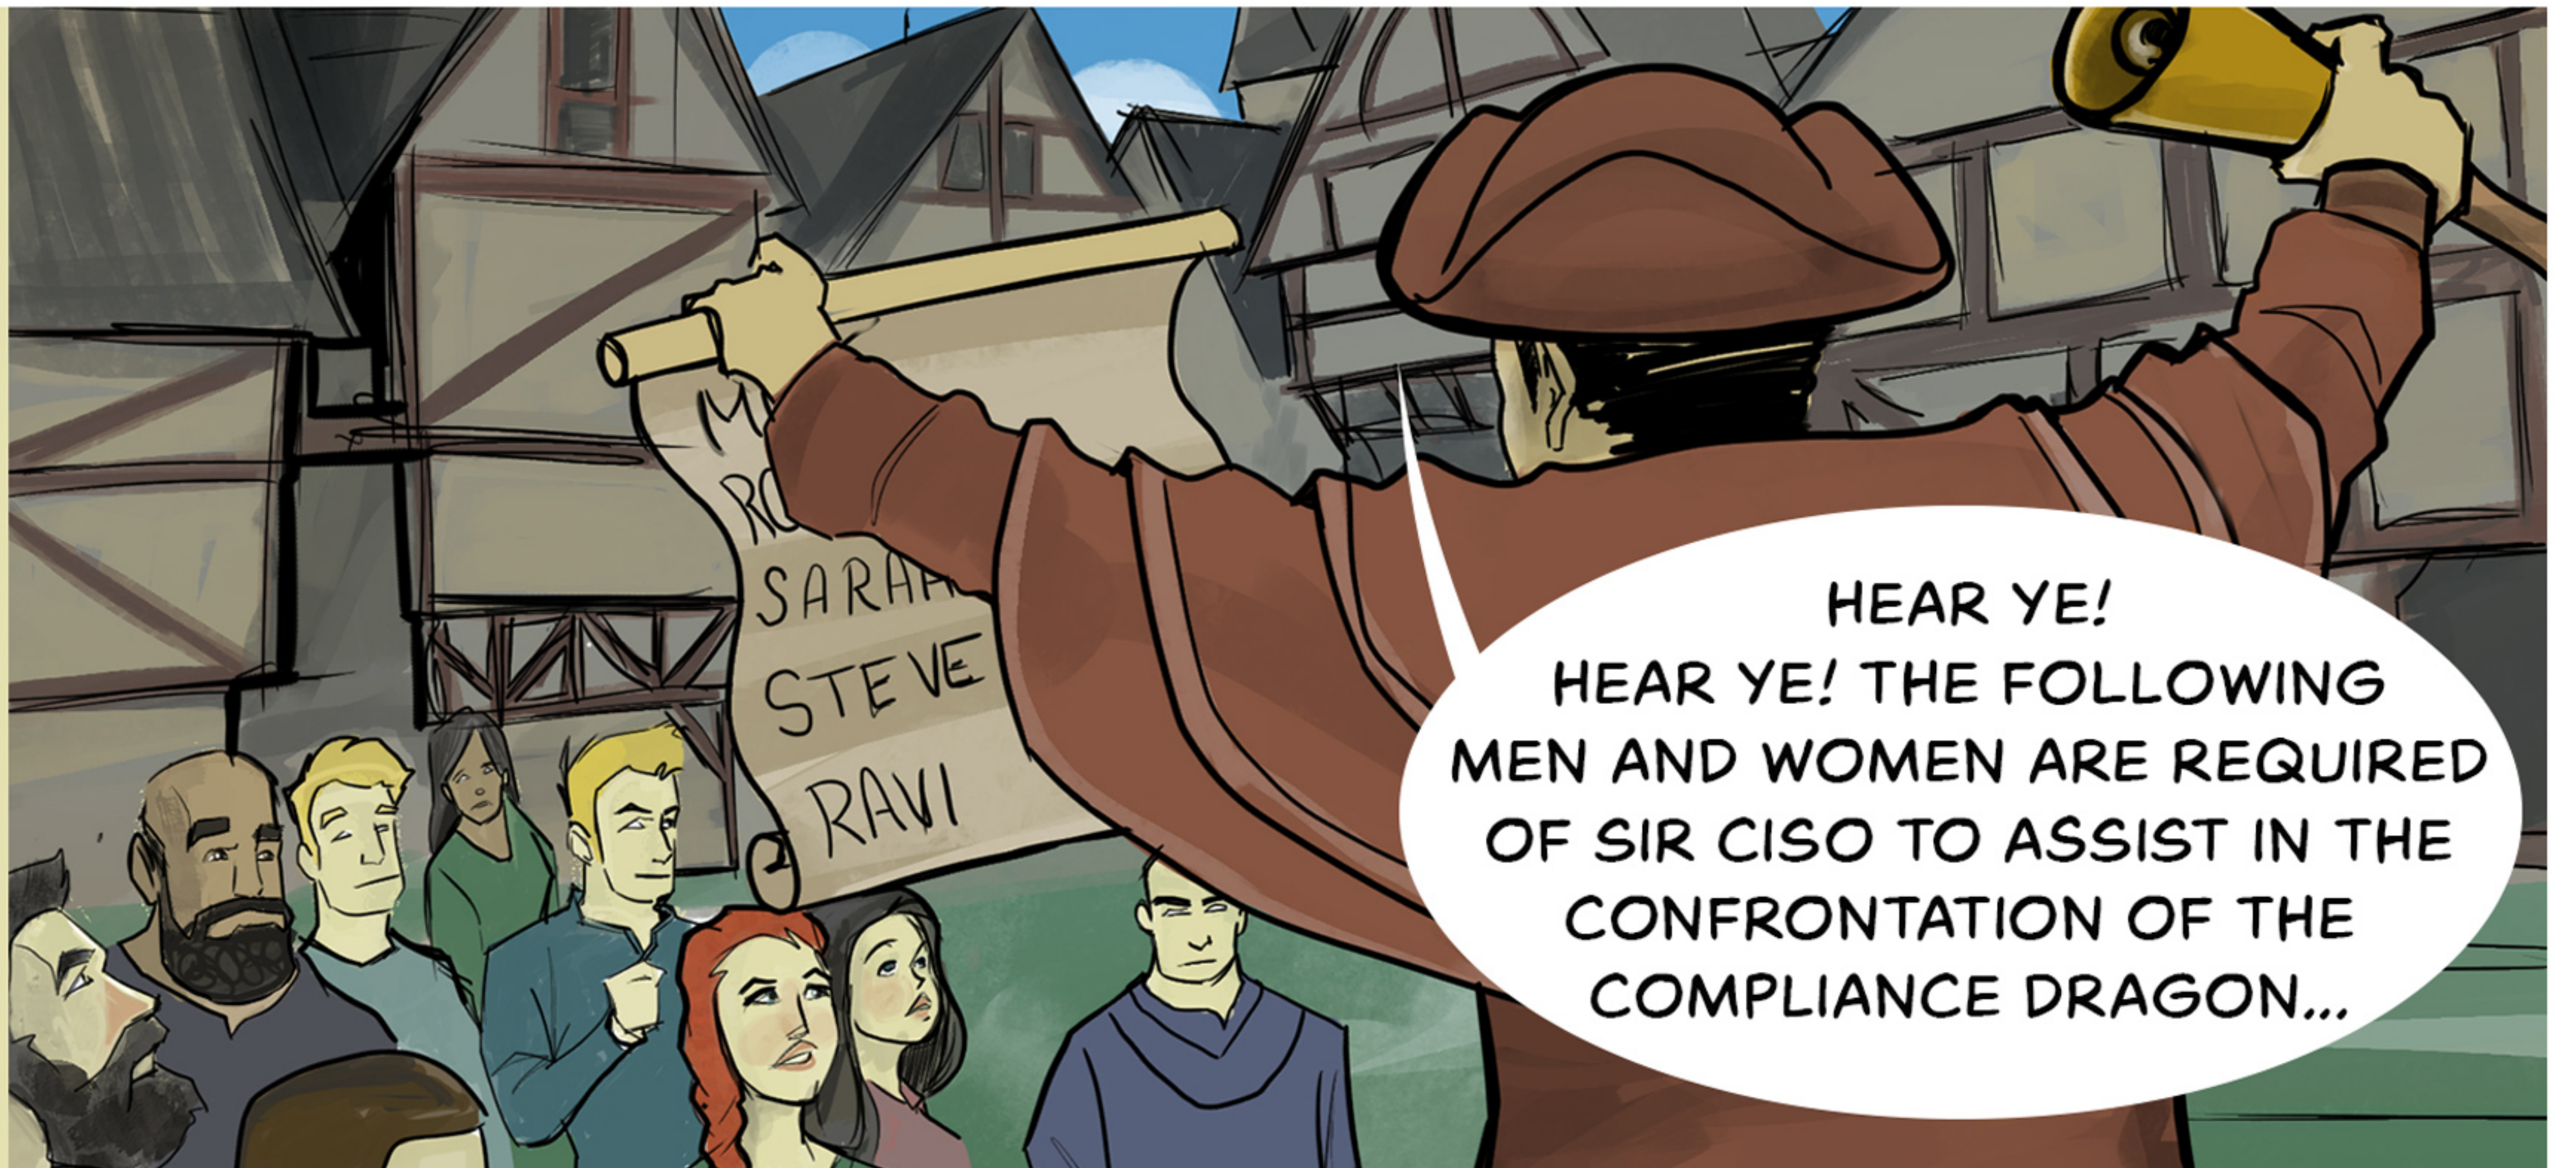

TIP

USE YOUR TOOLS TO STREAMLINE YOUR PROCESS:

- MAP OUT THE PARALLEL TASKS AND OVERLAPPING REQUIREMENTS BETWEEN YOUR CERTIFICATIONS
- CUT OUT THE REPETITIVE TASKS.
- FIND WAYS TO KILL TWO COMPLIANCE BIRDS WITH ONE STONE

TIP

EVALUATE YOUR TEAM. DO YOU HAVE THE PERSONNEL AND SUPPORT YOU NEED INTERNALLY? DO YOUR **IT** PERSONNEL HAVE THE SKILLS AND EXPERIENCE THEY NEED? WHICH EXTERNAL RESOURCES DO YOU NEED TO BRING ON BOARD?

TIP

TRAIN YOUR PEOPLE FOR COMPLIANCE. ORIENT THEM TO YOUR TOOLS AND PROCEDURES. PROVIDE PROFESSIONAL DEVELOPMENT. EDUCATE ALL YOUR STAFF-INCLUDING EXECUTIVES-ABOUT THEIR ROLE IN COMPLIANCE. CREATE A CULTURE OF COMPLIANCE THROUGHOUT YOUR ORGANIZATION.

TIP

FACE THE DRAGON AGAIN. NOT JUST ONCE A YEAR, BUT DAILY, MONTHLY, QUARTERLY, SEMI-ANNUALLY AND ANNUALLY. STAY ON TOP OF THOSE BITE-SIZE COMPLIANCE TASKS THROUGHOUT THE YEAR. NOW THEY'RE JUST LITTLE TO-DOS INSTEAD OF A FIERY DRAGON!
