

→ Granite State College Admissions Checklist

- Talk to an Advisor**
Academic Advisors are available to guide and support you. Whether you have general questions about applying, choosing a degree program, or financial aid, we are eager to assist.

Academic Advisors will also assist you with course planning and registration. Advisors are advocates - offering support as you complete your degree program.

- Apply Online for Free**
The admissions application is entirely online. If you have questions, your advisor will be able to help you navigate step-by-step through the form.

- Request Your Transcripts**
If you earned credit from one or more previous colleges, make arrangements with these institutions to have your transcripts sent to Granite State College. This will kick off the process of evaluating your transfer credit so you can apply credits toward your degree at Granite State College.
-

- Apply for Financial Aid**
Financial Aid is available to help make college costs more affordable. Complete your Free Application for Federal Student Aid (FAFSA) and use the Granite State College code 031013. If you have questions, our expert financial aid team will be able to help you navigate step-by-step through the FAFSA.
