

**MILLER** ZELL

# PRINT SOLUTIONS

Printing that exceeds your highest expectations

Miller Zell has provided print and print management services for more than 50 years. We understand the need for speed, innovation, transparency and cutting-edge technology to create best-in-class output and cost savings.

Great print management efficiently delivers high-quality work at the best possible price, while easing the complexities of project management, brand consistency, production specifications, manufacturing and consolidated distribution. Our clients benefit from a partner who is diligent, imaginative and dedicated to their success.

# IN-HOUSE PRINT CAPABILITIES:

We \_\_\_\_\_  
deliver in-house state-of-the-art large-format print, merchandising expertise and print specialists.

# PRINT MANAGEMENT:

We \_\_\_\_\_  
partner with the highest quality suppliers who go the extra mile for us and our clients daily.

- Certified G7 Master Printers with ISO certification, guaranteeing the most advanced color management practices and tools for the most accurate color on all equipment
- Chromatix Data Capture System, certifying that your printing falls within GRACol specified thresholds throughout the entire print run
- Recognized by the Sustainable Green Printing Partnership (SGP), just one of 58 companies in the nation with certifiably sustainable print facilities
- Ongoing commitment to stay ahead of the market by investing in equipment and facilities
- Dedicated team of experts that streamline print procurement, ensure brand compliance and add value at every opportunity
- Customized project management through proprietary REACH software
- Comprehensive savings that go beyond low-bid print by managing the entire enterprise's supply chain, resources and FTEs
- Fundamental cost transparency with service level agreements (SLAs), internal integration protocols and data security disciplines.
- Geographically diverse provider and supplier network that covers a range of specializations
