

Exhibit G
Mortgage Credit Certificate Program
Owner Occupancy Certification

This is to certify that I will occupy the property at the following address as my primary residence:

Property Address _____
Property City _____ Property Parish _____
Property State _____ Property Zip Code _____

The Principal Residence is not, and will not, be used as an investment property, vacation home, or recreational home and not more than 15% of the area of the Principal Residence is, or will, be used in a trade or business. I will notify Louisiana Housing Corporation in writing if the Principal Residence ceases to be my Principal Residence. I understand and agree that:

1. I have been duly notified that if the Principal Residence ceases to be my Principal Residence that my Mortgage Credit Certificate will be automatically revoked and I will no longer be entitled to claim the credit.
2. The land appurtenant to the Principal Residence does not provide, other than incidentally, a source of income to me. No land can be separated from the land being financed and offered for sale as a separate address or building lot without obtaining a zoning variance.

In order to comply with the IRS provisions, I understand that a reissued Mortgage Credit Certificate expires on the final payment date for my original mortgage loan. Furthermore, I understand that the certified mortgage indebtedness specified on the existing Mortgage Credit Certificate does not exceed the outstanding balance of the refinanced mortgage indebtedness of the Mortgage Credit Certificate to be issued. Upon reissuance of the Mortgage Credit Certificate, I understand that the initial credit rate as illustrated on the original certificate must be carried over to any reissued certificate.
