Overview

The Small Rental Property Program (SRPP) is federally funded and must comply with certain federal requirements. Rental property owners who choose to accept financial assistance through SRPP must comply with federal, state and program requirements when selecting tenants to occupy affordable units throughout the affordability period.

SRPP property owners participating in the Neighborhood Stabilization Program 3 Option (NSP3) must also comply with federal, state and program requirements, including but not limited to, tenant income eligibility, allowable rents, affordability periods and lease requirements unless specifically stated otherwise. References to SRPP in this document include NSP3. If there is a difference between the two, the more stringent guidelines apply.

Failure to comply may result in financial penalties including repayment of SRPP and/or NSP3 assistance provided.

This guide is not all-inclusive. It has been developed to assist rental property owners by providing information to help them remain compliant with program requirements. Rental property owners are encouraged to read the guide thoroughly and seek additional information as needed.

Incentive Award

For property owners receiving an Incentive Award, all required documentation (including obtaining Program-approved income-qualified tenants AND registering your property on www.LAHousingSearch.org) must be obtained prior to closing.

Construction Options

(Construction Management Initiative (CMIO) & Neighborhood Stabilization Program 3 (NSP3) Options)

Property owners participating in the CMIO or NSP3 Option will have 60 days from the date the final inspection is passed to provide SRPP with income and lease documentation for eligible tenants. If you do not provide program-approved income-qualified tenants AND register your property on www.LAHousingSearch.org, your file will be deemed noncompliant.

Advanced Funding Option

For property owners participating in the Advanced Funding Option, you will have three (3) months from the date the Certificate of Occupancy is obtained to provide SRPP with all required documentation which includes program-approved, income-qualified tenants AND register your property on www.LAHousingSearch.org.

Fair Housing and Tenant Outreach

To receive a SRPP award, all affordable units on the property must be occupied by income-eligible tenants. Because the SRPP is federally funded, owners who are awarded funds are required to comply with federal fair housing laws and nondiscriminatory practices. These laws prohibit housing discrimination on the basis of race, color, religion, sex, disability, family status and/or national origin. These laws also protect people from harassment and protect those who help others exercise their freedom to choose the neighborhood where they live.

Tenant selection processes must be consistent with a number of fair housing requirements. Specifically, the tenant selection criteria, income certification process and application forms must:

- Be consistent with the purpose of providing housing for low- and moderate-income families (families earning at or below 80% of area median income)
- Be reasonably related to program eligibility criteria and an applicants' ability to perform the obligations of the lease

- Not “discriminate or segregate in the use, enjoyment, occupancy, conveyance, lease, sublease, or rental of units on the basis of race, color, ancestry, national origin, religion, sex, sexual preference, age, marital status, family status, source of income, physical or mental disability, Acquired Immune Deficiency Syndrome (AIDS) or AIDS-related conditions (ARC), or any other arbitrary basis”
- Use Fair Housing and Accessibility logos and language on applications, advertisements, and other outreach materials, and prominently display the address of the physical location where applications are accepted. Fair Housing and Accessibility logos can be obtained by calling the Small Rental Property Program at 1.888.ROAD.2.LA (1.888.762.3252) and selecting SRPP prompt (#3), by copying the logos below, or through an internet search for the Fair Housing Logo

LAHousingSearch.org

All participants in the Small Rental Property Program must register affordable rental units on LAHousingSearch.org. Please register units on the website at www.LAHousingSearch.org or by calling 1.877.428.8844. This toll-free bilingual call center is available to property owners and potential tenants Monday through Friday to assist with listing and searching for properties. TTY callers use 711 relay or 1.800.846.5277.

Please note that properties list for a two-week period then are removed. To avoid your property being removed from the website before SRPP has verified, you can send a copy of your listing in with your tenant documentation.

Guidelines to Selecting Program-Approved Tenants

SRPP is not responsible for applicant screening. The program evaluates tenant income in order to determine whether the applicant is income eligible to occupy a unit assisted through the program. Property owners are required to consistently apply their own tenant screening criteria to all potential tenants including market rate units or low-moderate income units.

There are multiple tenant selection criteria a property owner may use to screen applicants for rental housing. However, property owners are required to consistently apply screening criteria equally to all applicants – those interested in market rate units and those looking for low-moderate income units. When making tenant selection decisions, all property owners must not discriminate against applicants for any reason. Further information regarding Fair Housing can be found on page 4. To avoid potential Fair Housing issues, it is recommended that property owners establish written tenant selection policies and follow them consistently for all applicants.

Below is an example of a tenant selection policy that provides a consistent and nondiscriminatory process. Point values can be adjusted as needed and owners must establish a minimum threshold for applicant approval. This policy is not required but may be used at the property owner's discretion.

Tenant Displacement Policy

The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) imposes a number of obligations on property owners in order to protect the rights of tenants living in units/buildings/properties that are part of a rehabilitation, acquisition or demolition project receiving federal financial assistance. In order to meet these requirements and minimize relocation needs, SRPP strictly prohibits owners from permanently displacing existing tenants. When temporary relocation is necessary, the owner is required to offer the tenant an opportunity to return to a comparable unit on their property.

As part of the Small Rental Property Program application process, all property owners must have provided the Small Rental Application Notice to all tenants who had occupied the property since November 1, 2006. This notice must have been provided before a final commitment of federal funding was issued. The notice was designed to ensure that no tenants were displaced or improperly asked to leave the property. When necessary to temporarily relocate a tenant during the construction phase of a project, the property owner must contact SRPP immediately who will provide temporary relocation planning for affected tenants to ensure that the relocation plan meets federal requirements.

SRPP may elect to pay the required costs directly and then deduct this amount from the owner's award if a property owner violates Program policy by:

- Failing to offer a tenant who was forced to leave a property the opportunity to return
- Allowing occupancy after application and before meeting SRPP requirements, including tenant approval
- Failing to provide a Move-In Notice prior to executing a lease agreement for any person moving in to the property after application

In these instances, at the sole discretion of SRPP, an owner's award may be terminated or reduced by the amount that is necessary to meet the tenant's relocation needs even though those units may no longer be eligible of an award of SRPP funds.

SRPP will provide an eligible tenant with the following advisory and financial assistance:

- Advisory Services, including referrals to comparable and suitable replacement housing; the inspection of replacement housing to ensure that it meets established standards; and help in preparing claim forms for relocation payments; and other assistance to minimize the impact of the move
- Payment for moving expenses
- Replacement housing assistance to enable tenants to rent, or if they prefer, buy a comparable or suitable replacement home
- In addition to help in obtaining temporary replacement housing, other assistance as necessary may be provided in order to minimize the impact of the move

Selecting Tenants with Housing Vouchers

SRPP property owners have additional rental market resources available to them in their search to find qualified tenants to occupy completed units. Prospective tenants that possess a housing voucher (i.e., Tenant-Based Housing Choice Voucher, Project-Based Section 8, and Permanent Supportive Housing (PSH)) are eligible to occupy SRPP affordable units under the SRPP tenant selection program guidelines.

Each voucher program has its own requirements and criteria for landlord certification and dwelling eligibility. In addition, each Parish Housing Authority has its own adjusted income limits, utility calculations, and in some cases dwelling inspection guidelines.

- SRPP Applicants should contact their Case Advisor if they are considering offering their unit to Voucher tenants, to ensure that income guidelines are consistent with SRPP income.
- SRPP Applicants should be aware that the rent they receive from a housing voucher holder (tenant) cannot exceed the maximum SRPP rent for the AMI tier they selected at closing. The amount of the voucher, and thus the total compensation to the property owner, will be determined by the specific voucher program.
- Income limits also must follow the limits established by SRPP AMI Tiers. Complete and executed Section 8 voucher program documentation may be submitted in lieu of income verification documentation for tenants participating in the Section 8 program. Tenants participating in other housing voucher programs will be required to provide income documentation.

Each voucher program has separate criteria to certify property owners. If you are interested in information about renting to housing voucher tenants, please contact your local public housing authority (PHA). A complete alphabetical list of public housing agencies by parish is available at the U.S. Housing and Urban Development (HUD) website at <http://www.hud.gov/offices/pih/pha/contacts/states/la.cfm>.

Fair Housing and Voucher Programs

All HUD housing programs must adhere to federal, state and local nondiscrimination laws, the Americans with Disabilities Act, and the U.S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

Tenant Income Verification

During the affordability period, each new tenant occupant must be income eligible in accordance with the rent tier established for the rental unit. To determine eligibility, applicants must complete a tenant income worksheet (attached), provide supporting documentation of income, and certify to the accuracy of the information prior to signing a lease or taking occupancy.

It is the property owner's responsibility to collect this information from all tenant household members 18 years of age and older and submit it to SRPP. Property owners should submit income documentation and receive program approval for tenants prior to executing the lease and allowing tenants to move into the property. Additional Tenant Income Verification forms are available by accessing the SRPP web site at www.road2la.org/srpp or contacting the program.

Why Income Information Is Needed

SRPP needs tenant income information because:

- The use of HUD Community Development Block Grant (CDBG) funds require that funds are used to benefit low or moderate income households
- Rent levels are established to preserve affordability for low to moderate income households who need them the most.

Federal Income Limits

The Department of Housing and Urban Development (HUD) establishes Low and Moderate Income Limits by family size and parish. To determine whether a prospective tenant for an affordable unit qualifies as low to moderate income, the tenant's *Total Household Income* (defined below) is compared to the income limits for the parish where the rental property is located -- not where the tenants are currently living. Property owners are expected to have a copy of the most current income limits applicable to the property available at all times. For convenience a link to the HUD website is <http://www.huduser.org/portal/datasets/il.html>. HUD updates the income limits annually, and the SRPP will provide property owners with the income limits they should use when screening and selecting tenant applicants.

Total Household Income

Total Household Income is calculated from the gross annual income of all tenant household members age 18 years of age and older and, if total household assets are equal to or greater than \$5,000, an imputed income from assets equal to 2% of the cash value or the actual amount earned annually, whichever is greater. Once income information is verified, the income-eligible tenants are not required to provide updated income or asset information each year they remain in an affordable unit; however, upon a change in occupancy during the affordability period, each new tenant household must be determined to be income eligible at or below the income level established for the rent tier of the unit. A household includes all persons who will live in the unit assisted through the Small Rental Property Program. It does not include individuals who are currently living as part of the household but will not be occupants of the unit assisted by SRPP funds. SRPP staff is available to assist with any difficulties in reviewing the tenant income information provided.

Non-Income Approved Tenants

If the property owner allows non-income qualified tenants to move into the property without program approval, the rent tier for that unit will be adjusted accordingly and the award amount will be reduced or eliminated. If the property is partially or fully funded and it is determined that non-income qualified tenants are occupying the property, the property will be deemed noncompliant and further action may be taken.

Social Security Numbers

For **NSP3 properties**, the SRPP requires a valid Social Security Number (SSN) for **ALL** household members 6 years of age and older. If a SSN can't be provided, proof of eligible noncitizenship may be accepted in lieu of a SSN. In circumstances where the Social Security Number (SSN) or proof of eligible noncitizenship is not provided for each NSP3 tenant, the tenants will not be approved by the SRPP. Partial SSNs will not be accepted.

For all other **SRPP (non-NSP3) properties**, SSNs are not required.

Acceptable Proof of Eligible Noncitizenship

- Form I-551, Alien Registration Receipt Card (for permanent resident aliens).
- Form 1-94, Arrival-Departure Record annotated with one of the following:
 - “Admitted as a Refugee Pursuant to Section 207”

Completing and Submitting Tenant Information

*These steps are for completing the “Tenant Income Documentation and Certification” forms on pg. 17-23 and must be followed for **each** unit rented at an affordable rate:*

1. Explain the income requirements for the available rental property to potential tenants. The figures on page 7, income limits by Parish and number of household members, are a useful guide for evaluating basic eligibility of potential tenants.
 - a. **“Annual income”** is all income going to, or on behalf of, all members of the household at the time of application, including income from assets, and any other additional income reasonably expected to be received over the next 12 months. Anticipated changes in income will be considered on a case-by-case basis. This definition is for the purpose of determining income eligibility of the potential tenant. Certain sources of income are excluded from this definition for the purposes of determining income eligibility. The potential tenant must disclose all sources of income.
 - b. **“Included Income”** is income from sources listed in the table below that will be included in the review and determination of a potential tenant’s income eligibility. Acceptable documentation of income can also be found in the chart entitled *Acceptable Sources and Documentation of Income*.
 - c. **“Excluded Income”** is income that may be received by a potential tenant but is not included in the review and determination of the tenant’s income eligibility. Types of excluded income can be found in the section below entitled *What Should Be Excluded from Income Calculations?*

Acceptable Sources and Documentation of Income

According to HUD guidelines [24 CFR 5.609 paragraph (b)], some types of annual income SHOULD be included when computing program incomes. This chart includes the Part 5 Income Inclusions as stated in the Code of Federal Regulations.

NOTE: Unearned income paid to an adult for the benefit of a minor child (e.g., Social Security Income, child support, TANF payments) is treated as income to the household.

Types of Annual Income	Supporting Documentation
Earned Income (Wages, Salary, Overtime, Commissions, Fees, Tips, Bonuses and Other Compensation for Personal Services)	3 consecutive pay stubs that show gross income and # of hours; or statement from employer that provides wage amount, # of hours worked per week and rate of pay*
Net Income from Operation of a Business or Profession	Quarterly IRS report or your most recent Federal Income tax return (if reflective of current income). Otherwise, use the Certification of Undocumented Income form attached.
Interest, Dividends and other Net Income from Real or Personal Property	Most current Statements from administering entity showing annual amount or periodic payments
Social Security, Annuities, Insurance Policies, Retirement Funds, Pensions, Disability or Death Benefits	
Alimony, Child Support Payments, and Regular Contributions or Gifts	Documents showing award amount (tax return, divorce decree, etc.)
Temporary Assistance To Needy Families (TANF); Welfare Assistance; Other Public Assistance	Most recent Award letter or other correspondence showing the total amount received. Bank statements cannot be accepted.
Unemployment, Workers and Disability Compensation, Severance Pay	
Armed Forces Income	All regular pay, special pay and allowances of a member of the Armed Forces (except as provided in the Income Exclusions).

Section 8 Voucher Program	Executed contract for current lease period. (Note: Other housing voucher programs are required to provide income documentation.)
* Prospective Tenants who started a new job and only have 1 or 2 pay stubs are required to get a Statement of Gross Income from Employer or complete the Certificate of Undocumented Income in addition to the pay stubs. All documentation should include start and end dates in order to determine the annual income.	

2. If the tenants are interested in the rental unit and appear eligible, provide them with pages 17-22 for completion:
 - a. The ***Income Documentation and Certification*** worksheet is used to collect detailed information about income and assets and to make a final determination of the potential tenant's low income status. This worksheet requires the tenant to state whether the household does or does not have certain types of income or assets totaling \$5,000 or more. Income information is reported for each adult household member. Additional sheets can be used if the tenant cannot fit all reported income or assets on the main form.
3. Provide Supporting Documentation. Refer to the *Acceptable Sources and Documentation of Income* chart.
 - a. If a potential tenant 18 years of age or older indicates that documentation is not available for some types of income (e.g., babysitting for a neighbor and paid in cash), the ***Certification of Undocumented Income*** must be completed and submitted.
 - b. If no household income is reported, the ***Certification of No Income*** must be completed for all tenants 18 years of age and older (i.e., all tenants 18 years and older should either submit proof of income or certification of no income).
 - c. For properties processed under the NSP3 option, self-certification of ***no or zero income*** is acceptable **only if further evidence is provided** to support that determination of eligibility. Acceptable supporting documentation must be provided to support the potential tenant's self-certification of receiving or having no income. Additional information is listed in the chart below.

Additional Documentation Required for NSP3 (No Income)

Types of Assistance	Supporting Documentation
Welfare Assistance; Other Public Assistance	Evidence that person(s) qualified under another program having income qualification criteria as restrictive, such as Job Training Partnership Act (JTPA) and welfare programs
Homeless	Evidence that the assisted person is homeless
Permanent Supportive Housing (PSH); Section 8 Vouchers; Continuum of Care; Federal Tax Returns /IRS Form 4506, etc.	Evidence of a referral from a state, county or local employment agency or other entity that determines income eligibility

Initial Lease and Lease Renewal Requirements

Affordable Units

A proper lease agreement, for at least one year, must be executed for all affordable units except as noted below. SRPP has provided a sample copy of an acceptable lease in this document. However, property owners may choose to use any lease that is legally acceptable in the State of Louisiana. In all cases, the lease must include ALL the following provisions:

- Name and address of the landlords
- Name of tenant
- Property address and unit number, if applicable, of the unit being leased
- The term of the lease (initial term and any provisions for renewal)
- The amount of the monthly rent being charged to the tenant for the unit cannot exceed the program rent approved for the unit. (See table of maximum rents)
- Clear identification of what utilities and appliances are to be supplied by the owner, and what utilities and appliances are to be supplied by the family. (See table of utility allowances)
- When the rent payments are due
- Information on all deposits, if applicable
- Rules of tenancy, i.e., noise, provision for animals
- Maintenance requirements of the tenants, if any
- Maintenance requirements of property owners
- Late charges – amounts and when assessed
- Enforcement procedures
- Required SRPP Lease Addendum

Incentive and Advanced Funding Option

For Incentive and Advanced Funding awards, property owners must have an acceptable twelve (12) month lease in place at the time of final disbursement, or a previously SRPP approved 12 month lease that has expired, along with a SRPP-approved and fully-executed *Lease Rollover Certification* form.

Construction Management Initiative Option and Neighborhood Stabilization Program 3

For property owners participating in a Construction Option, the initial lease agreement approved for the SRPP assisted units must be for a minimum of twelve (12) months. Exceptions to this requirement may apply to persons displaced by Hurricane Isaac – see the section below on *Acceptability of Short-Term Leases for Residents Displaced Due to Hurricane Isaac*.

Acceptability of Short-Term Leases for Residents Displaced Due to Hurricane Isaac

SRPP shall accept leases on affordable units with a minimum lease term of three (3) months for the Displaced Population who chooses to enter into a temporary arrangement with SRPP landlords. This change applies to **initial** leases only and shall expire with the program deadline on 11/10/2013 when the SRPP will stop accepting tenant lease and income documentation. All initial leases approved after 11/10/2013 must meet the minimum twelve (12) month lease term requirement.

The Displaced Population must meet all SRPP tenant income eligibility program requirements, including, but not limited to Income Verification, Tenant Eligibility, Maximum Rent and Income Limits and Lease / Lease Addendum requirements. The Displaced Population will be eligible for the lease rollover as long as all lease rollover requirements are met. Proof of displacement is based on self-certification by the prospective tenant and/or SRPP landlord.

The SRPP landlord (Applicant/Property Owner) must comply with all program requirements, including, but not limited to income verification, tenant eligibility, maximum rent and income limits, lease / lease addendum, affordability compliance.

Persons not displaced by Hurricane Isaac are not impacted by this change and must continue to meet the existing twelve (12) month lease term requirement as well as all other applicable SRPP requirements.

Rent Levels

In order to ensure that assisted units remain affordable, SRPP establishes maximum allowable rent limits that can be found at www.road2LA.org/srpp, or by calling 1.888.ROAD.2.LA (1.888.762.3252) and selecting SRPP prompt (#3) to speak to an SRPP expert for information. These limits are based on the federal index for housing costs in the local area, and the federal index that reflects change in income levels for families residing in the same area. This policy is designed to allow rents to grow with costs while remaining affordable for the low and moderate income tenants they serve.

Housing Voucher Programs

Property owners participating in a third-party housing voucher program must provide the program with information regarding total rent amount collected and total rent amount charged to the tenant. This information must be completed in the Lease Addendum. Supporting documentation regarding the housing voucher programs may be requested by the program, as needed.

Rent Discounts

Leases that give tenants “discounts” when the rent is paid early will be acceptable. However, both rent amounts stated on the lease must be within the SRPP maximum rent limits. If a lease illustrates two rent amounts, such as a gross amount and net amounts, the rent amounts should be within the SRPP maximum rent limits.

Lease Renewal

If there are provisions in the lease for Hold Over, or automatic renewal, the renewal rent amount must be within the SRPP maximum rent limits at the time the lease is initially approved. If not acceptable, applicant must submit a new lease with the proper rent amount.

Month-to-Month Tenancy Requirements

The Program shall accept month-to-month rollovers of the annual lease submitted by the property owner that was previously reviewed and approved by the SRPP provided that all provisions below are met:

- The 12-month lease term for the tenant(s) in the previously reviewed and approved lease has expired or is within 60 days of expiration
- The property owner and tenant(s) have a lease that meets or met all program requirements, has been submitted to the program for approval, and after review, was approved by the program
- The rollover of the lease does not include any addendums, additional costs or changes in rent amounts unless the tenant rent change was directed by a voucher program
- The rollover of the lease is for the same individual tenant(s) as previously approved
- The ***Lease Rollover Certification*** includes both the printed name and the signature of the property owner and the tenant head of household, as well as the date that the form was signed.

Property owners have the option to execute a new lease or allow a rollover of the existing lease provided they meet all requirements above. If they do not meet all the requirements, they will be immediately deemed noncompliant. It is the intent that all terms in the previously approved lease remain unchanged in order for the lease rollover to be considered.

Market Rate Units

Leases are required for all occupied market rate units prior to Closing. If the market rate unit is vacant or if it is occupied without a current lease then the owner must provide a written statement to that effect prior to closing.

Once the file has been fully funded, there are no additional post-closing requirements for long term monitoring on market rate units. Verification of occupancy status on market rate units during the affordability period is not required.

Move-In Requirements

If you plan to rent a unit before receipt of SRPP funds, please provide the Move-In Notice enclosed in this packet to all prospective tenants for both those units that are receiving an SRPP award and those units that are not. Under no circumstances should a unit be leased prior to receiving a Certificate of Occupancy. These tenants must receive the Move-In Notice prior to signing a lease agreement in order to prevent an obligation to provide relocation benefits should displacement occur. During the affordability period, the Owner/Lessor is not allowed to charge or collect from the Tenant/Lessee any payment for rent over the applicable rent restricted amount referenced above (subject to rent increases after the first year). The restricted rent amounts will be adjusted annually, as further described below. If the Owner/Lessor charges or collects any excess rent or utility payments, the excess amount must be returned to the Tenant/Lessee.

4. **Rent Changes.** Allowable annual rent levels to be charged for occupancy of Restricted Units shall be calculated and published by OCD on an annual basis. The amount of the allowable increase/decrease in rent levels will be an amount equal to the greater of: (i) percentage increase in Area Median Income; or (ii) Annual Adjustment Factor (as published by the U.S. Department of Housing and Urban Development), but in no event shall the increase exceed five (5%) percent on an annual basis. There will be no cumulative rent increases/decreases allowed for future years in the event the percentage increase in the Area Median Income or Annual Adjustment Factor (as published by the U.S. Department of Housing and Urban Development) is greater than 5% for any prior year. An increase in an eligible Tenant/Lessee's income above the otherwise allowable levels shall not result in the change in occupancy status of such eligible Tenant/Lessee, nor may such eligible Tenant/Lessee's rent be increased above the rate that would otherwise be charged to such eligible Tenant/Lessee under the terms of the Program. For more information about the maximum allowable rent increase for a participating unit, the Tenant/Lessee may contact 1.888.ROAD.2.LA (1.888.762.3252). TTY callers use 711 relay or 1.800.846.5277.
5. **Inspection of Premises.** Upon written notification to the Tenant/Lessee, the Owner/Lessor or an authorized agent of the Small Rental Property Program shall have the right during the term of this affordability period, to enter the premises for the purpose of inspecting the premises and all buildings and improvements thereon.
6. **Fair Housing.** During the term of the affordability period, the Owner/Lessor has agreed to abide by all federal and state Fair Housing laws and regulations. The Owner/Lessor will not discriminate or segregate in the use, enjoyment, occupancy, conveyance, lease, sublease, or rental of units on the basis of race, color, ancestry, national origin, religion, sex, age, marital status, family status, physical or mental disability, or any other arbitrary basis. If the Tenant/Lessee believes his or her rights have been violated, the Tenant/Lessee can file a fair housing complaint in several ways:
 - a) **By Phone:** The Louisiana Attorney General's Office, Equal Housing Section, Fair Housing Hotline; 1-800-273-5718
 - b) **By Phone:** The U.S. Department of Housing and Urban Development ("HUD"), Fair Housing: 1-800-669-9777 (toll-free Hotline), or (817) 978-5900, or TTY (817) 978-5595
 - c) **By Internet:** HUD's Homes and Communities website at <http://www.hud.gov/complaints/housediscrim.cfm>.
 - d) **By Mail:** The Tenant/Lessee can print out the form from the above listed website, complete and mail it to the regional HUD office located below:

Fair Housing Hub
U.S. Department of Housing and Urban Development
801 Cherry Street, 27th Floor
P.O. Box 2905
Fort Worth, Texas 76113-2905
7. **Lead Warning Disclosure.** Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not taken care of properly. Lead exposure is especially harmful to young children and pregnant women. Owner/Lessor must disclose the presence of known lead-based paint and lead-based paint hazards in the dwelling. Tenant/Lessee's must also receive a federally approved pamphlet on lead poisoning prevention ("Protect Your Family from Lead in Your Home").
8. **Additional Provisions, Disclosures.** Owner/Lessor should note any disclosures about the premises that may be required under federal or Louisiana law, such as any flood hazards. _____
9. **Notices to Tenant/Lessee.** The Owner/Lessor has entered into a contract with the Small Rental Property Program. Lease agreements must comply with the program's regulations. The program contains provisions on the maximum rent levels that may be charged to the tenant, tenant eligibility, and nondiscriminatory tenant selection practices. For more information on the Small Rental Property Program or to report program violations, please contact the program at 1.888.ROAD.2.LA (1.888.762.3252) or via the Internet at www.road2la.org/srpp.
10. **Tenant/Lessee Protections.**

- a) **Lease Term.** The lease between a Tenant/Lessee and an Owner/Lessor of an affordable unit assisted with program funds must be for not less than one year.
 - b) **Prohibited lease provisions.** The lease may not contain any of the following provisions:
 - i. Agreement to be sued. Agreement by the Tenant/Lessee to be sued, to admit guilt or to a judgment in favor of Owner/Lessor in any lawsuit brought in connection with the lease.
 - ii. Treatment of property. Agreement by the Tenant/Lessee that the Owner/Lessor may take, hold, or sell personal property of household members without notice to the Tenant/Lessee and a court decision on the rights of the parties. This prohibition, however, does not apply to an agreement by the Tenant/Lessee concerning disposition of personal property remaining in the unit after the Tenant/Lessee has moved out of the unit. The Owner/Lessor may dispose of this personal property in accordance with state law.
 - iii. Excusing Owner/Lessor from responsibility. Agreement by the Tenant/Lessee not to hold the Owner/Lessor or the Owner's/Lessor's agent legally responsible for any action or failure to act, whether intentional or negligent.
 - iv. Waiver of notice. Agreement of the tenant that the owner may institute a lawsuit without notice to the tenant;
 - v. Waiver of legal proceedings. Agreement by the Tenant/Lessee that the Owner/Lessor may evict the Tenant/Lessee without a court proceeding.
 - vi. Waiver of a jury trial. Agreement by Tenant/Lessee to waive any right to trial by jury.
 - vii. Waiver of right to appeal court decision. Agreement by the Tenant/Lessee to waive a right to appeal a court decision in connection with the lease; and
 - viii. Tenant/Lessee chargeable with cost of legal actions regardless of outcome.
 - c) **Termination of tenancy.** An Owner/Lessor may not terminate the tenancy of a Tenant/Lessee of an affordable unit assisted with program funds except for serious or repeated violation of the terms and conditions of the lease; for violation of applicable federal, state, or local law; or for other good cause. Whereas Louisiana law does not require any Owner/Lessor to renew or re-enter into any lease or agreement to extend either the initial term or any extension of any lease, Owner/Lessor hereby agrees to give Tenant/Lessee and the State through the Office of Community Development reasonable written notice of at least 45 days stating Owner's/Lessor's intention. Equally, Tenant/Lessee agrees to give Owner/Lessor and the State through the Office of Community Development reasonable written notice of at least 45 days of tenant's/lessee's intention to not renew any lease or extension. .
 - d) **Tenant/Lessee selection.** An Owner/Lessor of an affordable unit assisted with program funds must ensure that the tenant selection process:
 - i. Is consistent with the purpose of providing an affordable unit for low- and moderate-income families;
 - ii. Is reasonably related to program eligibility and the Tenant/Lessee's ability to perform the obligation of the lease;
 - iii. Will provide for the selection of Tenant/Lessee's from a written waiting list in the chronological order of their application, insofar as is practicable; and,
 - iv. Will give prompt written notification to any rejected applicant of the grounds for any rejection with accommodations being made for alternate notifications as required.
 - e) **Maintenance and replacement.** The Owner/Lessor of the affordable unit shall maintain the premises in compliance with all applicable program requirements and local code requirements.
11. **Conflict with Other Lease Provisions and Enforceability.** If there is any conflict between this addendum and any other provision of the lease between the Owner/Lessor and the Tenant/Lessee, the requirements of the Small Rental Property Program's required lease addendum shall control. The Tenant/Lessee has a private right of action to enforce the lease addendum against the Owner/Lessor.
 12. **Authorization for Program to Obtain Information Directly from the Tenant/Lessee.** During the affordability period, the Small Rental Property Program may from time to time request information directly from the Tenant/Lessee to ensure program compliance. The Tenant/Lessee understands that these requests for information may be made and that the Tenant/Lessee should respond to such requests accurately and timely.

13. **Right to Record Lease.** The Tenant/Lessee has the right to record the terms of the lease and the lease addendum on the public record. If the tenant/lessee chooses to record the lease, the cost of recording shall be at the tenant/lessee's expense.
