LHC Housing Program Administrator Marjorianna Willman briefly went over the specifics of the matter.
Board Member Vallee inquired as to whether a waiver request had been received. Ms. Willman replied affirmatively, noting the project was a PHA rehab property.

Thereafter, there was extensive discussion as why Foley Judell was not noted as Bond Counsel in the resolution.

Ms. Willman noted that the aforementioned was because "...we had to amend a resolution because Bond Counsel was listed, so on all the resolutions going forward it was decided not to list the Bond Counsel, that the applicant could select whomever they wanted to select as Bond Counsel." ED Cunningham concurred thereof. Both also noted that Foley Judell was not as a standard always listed as Bond Counsel in the resolutions.

On a motion by Board Member Donald B. Vallee and seconded by Board Member Michael T. Anderson, the resolution of intention to issue not exceeding Six Million Dollars ($6,000,000) Multifamily Housing Revenue Bonds for Pine Trace Homes I, #2017-107BF (1015 Union Avenue, Bogalusa, Louisiana 70427) in one or more series to finance the acquisition, construction, rehabilitation, and equipping of a multifamily housing development within the State of Louisiana; to establish the maximum qualified basis and low-income housing credits to Pine Trace Homes I; to authorize the staff and counsel to prepare the forms of such documents and agreements as may be necessary to allocate 4% Low-Income Housing Tax Credits to such facilities; and approving a waiver of the Minimum Square Footage and Full Bathrooms Per Unit Type required in the 2017 Qualified Allocation Plan; and providing for other matters in connection therewith, was moved to debate. There being no further discussion, opposition, or public comment, a vote was taken, and the motion passed unanimously.

AGENDA ITEM #10

Next item discussed was the resolution regarding issuing $7M MHRB for Pine Trace II.

Ms. Willman briefly went over the specifics of the matter.

Board Member Vallee requested that Donnie Cunningham with Jones Walker Law Firm be invited to address the Board regarding Bond Counsel being listed in the resolution.

Mr. Cunningham noted that "...I think you should defer to the Developer's wishes on Bond Counsel as an open policy...."

Board Member Vallee then requested that Wayne Neveu with Foley Judell be invited to address the Board on the aforementioned.

Mr. Neveu noted "...I think Donnie well stated it, and frankly it's important that you specify in the resolution Bond Counsel that's recommended by the Developer and it's a
proceeding that then has to be submitted as Mr. Cunningham says to the Attorney General for approval...."

Kelly Longwell with Coats Rose Law firm addressed the Board, noting "...y'all have always had an open door policy and it has been usually left to the Developer as to who they wanted to be Bond Counsel...and I do disagree with what Mr. Cunningham said...There are Issuer's Counsel which is separate and apart from Bond Counsel."

Thereafter, there were further lengthy discussion between the Board and the various Counsels in attendance regarding the matter.

Vallee and seconded by Board Vice-Chairwoman Jennifer Vidrine, the resolution of intention to issue not exceeding Seven Million Dollars ($7,000,000) Multifamily Housing Revenue Bonds for Pine Trace Homes II, #2017-108BF (1200 Highland Park, 700 River Terrace Drive and 915 East 4th Street, Bogalusa, Louisiana 70427) in one or more series to finance the acquisition, construction, rehabilitation, and equipping of a multifamily housing development within the State of Louisiana; to establish the maximum qualified basis and low-income housing credits to Pine Trace Homes II; to authorize the staff and counsel to prepare the forms of such documents and agreements as may be necessary to allocate 4% Low-Income Housing Tax Credits to such facilities; and approving a waiver of the Minimum Square Footage and Full Bathrooms Per Unit Type required in the 2017 Qualified Allocation Plan; and providing for other matters in connection therewith, was moved to debate.

Thereafter again, there were further discussions on the aforementioned matter.

Board Member Vallee moved to Amend his Motion to Approve "...to revert that we go back to the forms that we've used historically and in the future after we look at all this stuff and something else needs to be changed on policy that we talk about changing. But let's stay with what we've been doing." Thereafter, there was discussion regarding the proper Parliamentary manner in which the Amendment was offered. Accordingly, Board Member Vallee WITHDRAW his aforementioned Amendment.

ED Cunningham noted for the RECORD, "...we're making the change because of the technical nature of the issue. It is not the Agency's position around who is the Issuer's Counsel...."

Ms. Willman also noted "...the resolution will be amended to include the name of the selected Bond Counsel by the applicant...."

Board Member Andreenecia M. Morris suggested that staff briefly convene together and reach a consensus on what is being recommended to the Board for consideration and approval.
LHC Executive Counsel Jessica Guinn advised the Board that it was okay to approve the matter with the "...exception that the selected Bond Counsel be added..." Noting that staff could add in the necessary information prior to it being presented to the Bond Counsel for approval.
