APPROVAL OF MINUTES

Next item discussed was the January 9, 2019 Board Meeting Minutes. Board Member Donald B. Vallee requested a correction noting “...after we discussed the insurance item, I left before there was discussion and came back into this room.”

On a motion by Board Member Donald B. Vallee and seconded by Board Member Willie Rack, the Minutes of the January 9, 2019 LHC Board of Directors Meeting were unanimously approved, as corrected.

BOARD CHAIRMAN’S REPORT

Executive Director E. Keith Cunningham, Jr. noted that the March 13th Board Meeting needed to be changed due to the NCSHA Legislative Conference in Washington DC from March 10th – 13th.

Board Member Vallee noted he did not feel the meeting date should be changed since only one (1) Board Member was attending the event.

Chairman Spillers noted in addition to Board Vice-Chairwoman Jennifer Vidrine, that ED Cunningham and COO Bradley Sweazy were attending also.
Board Members Byron Lee and Derrick Edwards advocated that if ED Cunningham would not be available on March 13th, that the date should be changed.

Chairman Spillers noted he’d confer with Board Secretary Brooks on ascertaining an alternate date for the March BODM.

ED Cunningham reminded the Board of the upcoming April 2nd – 4th LHC Housing Conference, and suggested that the April 10th Board Meeting be changed to April 2nd and take place during the Housing Conference on April 2nd.

Board Member Vallee inquired if such would violate any Open Meetings protocols.

LHC Executive Counsel Jessica Guinn-Johnson advised that anytime a quorum of the Board is met, the gathering of such must be properly noticed.

Board Chairman advised that he did not wish to have a Board Meeting during the Housing Conference, and therefore the April Board Meeting would remain as scheduled for Wednesday, April 10th.

**LHC EXECUTIVE DIRECTOR’S REPORT**

ED Cunningham advised the Board that he had recently sent them some documents, but that all the materials had not been received due to email technical issues.

ED Cunningham also noted that he would like the Board to review the Housing Needs Assessment Reports in order to better assist LHC in development of its Strategic Plan, Target Priorities, and Policy Objectives; he noted upcoming meetings LHC would be having with municipalities, including a meeting with City of New Orleans officials to discuss the 2019 QAP; that he was participating in the Governor’s Empowering Families to Live Well Advisory Council; that he would be appearing before the State Bond Commission on February 22nd to discuss the mission of LHC, etc.

Board Member Vallee requested a review of LHC’s Programs as part of the 5-year Strategic Plan development.

COO Sweazy noted that in the Fall 2018 the Board approved a 3-year Strategic Plan.

Board Member Edwards noted that he felt a 3-year forecast was more practical than at a 5-year Plan. Chairman Spillers concurred thereof.

Chairman Spillers requested a timeline of upcoming LHC events and meetings in advance.

AGENDA ITEM #8 – ENVIRONMENTAL REVIEW PROCESS

Board Chairman Spillers went over the matter briefly noting that he had received numerous complaints regarding delays in LHC’s environmental reviews. He requested that complaints be sent to ED Cunningham first for resolve, and thereafter only to the Board if there is not an amicable resolution.

Chairman Spillers requested a timeline from ED Cunningham on how the environmental reviews process would be improved. He also noted that he was fully supportive of LHC staff’s efforts given the large number of reviews needing to be accomplished.

Board Member Stacy Head suggested that if there is a way to help streamline the federally required environmental reviews via rational processes she’d be supportive thereof.

ED Cunningham noted that LHC would evaluate its internal processes for ways to improve the environmental reviews.

Ashley Wilson of GBC Advantage addressed the Board and discussed how delays in environmental reviews affect development closings, and she advocated for better communications between LHC and the development community.

Chairman Spillers noted that in addition to the complaints received, that he also wanted to acknowledge the many positive comments he’d received regarding LHC staff too.
