

Louisiana Housing Authority

Amendment to PHA Plan

The Louisiana Housing Authority (LHA)'s Annual PHA Plan for fiscal year 2009 states on page 25 of 40, Section 4.B.(1), that LHA's voucher payment standard shall be "Above 100% but at or below 110% of FMR". That statement was not changed by the LHA's Annual PHA Plan for fiscal year 2010.

The LHA hereby amends its Annual PHA Plan by changing the referenced statement to read that LHA's voucher payment standard shall be:

"Above 100% but at or below 110% of FMR, except that LHA's payment standard for Orleans Parish shall be 100% of FMR".

The LHA has determined that this amendment to its Annual PHA Plan is not a significant amendment or modification to the Annual Plan. Therefore, this amendment shall be effective immediately.
