

## Invite your friends to join the Treemont Family Resident \$1,000 Referral Program

Our best source of referrals is from satisfied Treemont residents. Most folks want their friends and family to join them at Treemont. If you have a friend or family member to refer, please contact Lupe or Linda in the Front Office at 713-783-6820.

Treemont offers a \$1,000 discount off the referring resident's rent, after the new resident has resided at Treemont for 3 months. The referral fee qualifies if the resident visits with Lupe or Linda and notifies them that their friend "Mary Smith" will be touring Treemont. Alternatively, if a prospect comes in and makes a note on the initial Inquiry Card that a specific resident referred them, that also counts as a referral. (It does not qualify if you bump into a friend that is touring Treemont.)
