

# Meaningful Human Connections

Use the questions below to help build meaningful human connections.

If we can respond and listen to the first two questions effectively, then we will have a stronger foundation for meaningful human connections making the last two questions much easier for us to respond well to and work together on.

## How am I?

Openly share how I am genuinely feeling right now and what I'm thinking.

## How are you?

Tell me more, I think you are saying (...)

## What do I need?

To deliver my objectives I need to (...)  
Can you help?

## What do we need?

To achieve our team outcomes, I think we need to (...)  
Can we (...)?
