CFDs are complex instruments and come with a high risk of losing money rapidly due to leverage. 64% of retail investor accounts lose money when trading CFDs with this provider. You should consider whether you understand how CFDs work and whether you can afford to take the high risk of losing your money.

These products are only available to those over 18 years of age. The information on this sheet and the website are not directed at residents or nationals of the United States and is not intended for distribution to, or use by, any person in any country or jurisdiction where such distribution or use would be contrary to local law or regulation.
