Mr. Forest Hampton
Lubrizol Advanced Materials, Inc.
9911 Brecksville Rd
Cleveland, OH 44141

RE: Confirmation of Official Listing

Dear Mr. Hampton:

I am pleased to confirm the NSF Listing of Lubrizol's *FlowGuard Gold®*, *Corzan®*, and *BlazeMaster®* CPVC compounds. These compounds are certified to NSF/ANSI Standard 14 for potable water applications. Certification for potable water applications verifies that the products comply with the health effects requirements of NSF/ANSI Standard 61.

The NSF Official Listing for these products can be found at:

<http://info.nsf.org/Certified/Plumbing/Listings.asp?Company=04500&Standard=014>

Per your request, this letter also confirms (based on evaluation of your test data) that your *FlowGuard Gold®*, *Corzan®*, and *BlazeMaster®* products comply with the MTBE Maximum Contaminant Level (MCL) requirement for the following states:

- California
- New Hampshire
- Delaware
- New York

And also the MTBE Health Advisory Level (HAL) for the following states:

- Florida
- Vermont
- Virginia

If you or your customers have any questions regarding Lubrizol's Official Listings, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mark Mapili'.
