

S14i

An efficient machine for challenging, compact properties

Model S14i

The S14i builds on the simplified Model S platform, adding Kohler power and Delphi® fuel injection. With the patented, combined blower and PTO drive system, the S14i is compact and efficient, and continues the Walker tradition of class-leading performance.

Type: Collection
Ideal Application:
Residential Properties

Key Attributes: Compact, Agile

Decks: 3 Collection, 3 Discharge,
4 Mulching

Popular Add-ons:
36" Snowblower
48" Dozer Blade
Dethatcher

Comparison

Mower	Engine	Fuel System	Cooling System	HP @ 3,600 RPM	Max Torque (ft-lbs)	Fuel Capacity	Weight*	Dimension*
S14i	Kohler ECH440	EFI	Air	14	19.9	1.9 gal (7.2 L)	786 lbs	46.75H x 43.25W x 88.5L*
S14	Subaru Robin EX40	Carb	Air	14	19.9	1.9 gal (7.2 L)	786 lbs	47.5H x 43.25W x 89.25L*
C19	Kohler CH620	Carb	Air	19	35	4 gal (15.1 L)	925 lbs	46.75H x 42.6W x 107L*
B18	Briggs Vanguard V-Twin	Carb	Air	18	29.5	4 gal (15.1 L)	803 lbs	39.5H x 49W x 90.75L**

*Tractor with C42 deck. **Tractor with M48 deck.
