

TASKI® Intellibot DUOBOT 1850™ Sweeper/Scrubber

The new TASKI IntelliBot DUOBOT 1850 is a sweeper/scrubber for hard surfaces. Dual counter rotating brushes and a large debris hopper allow DUOBot 1850 to thoroughly sweep and scrub in one pass.

Features

- It has a new touchscreen that prompts users through the simple operating process, making it very easy to use.
- Sensors provide a 360-degree view that allow the sweeper/scrubber to operate Hands-Free. Just prep, point and go!
- Uses up to 85% less water and cleaning solution per eight-hour shift; accommodates most eco-friendly solutions.

Benefits

- The vacuum communicates with the operator and generates detailed reports including login time, end of shift and areas cleaned.
- Service components are easily accessible. Uses standard size industry brushes, pads and squeegees.
- No special training is required. The icon-based touchscreen prompts users through all functions, regardless of language or skill level.

Applications

- A sweeper/scrubber for hard surfaces
- Ideal for education, healthcare, retail, warehouse and manufacturing use
