Certification of American Manufacturing Status

Janus International is a leading U.S. manufacturer of steel roll doors and building components.

In keeping with the §661.5 General Requirements of the **Buy American Act**, Janus certifies that it manufactures and ships all of its products from facilities within the United States. For a manufactured product to be considered produced in the United States, all of the manufacturing processes for the product must take place in the United States; and all of the components of the product must be of U.S. origin. A component is considered of U.S. origin if it is manufactured in the United States, regardless of the origin of its subcomponents, rendering Janus International products as compliant.

Every Janus International sheet door, rolling steel door and hallway partition is manufactured at one of four U.S. locations:
