

CONNECT HR Leadership Summit 2019 attendees have the unique opportunity to network with senior peers, share knowledge and hear presentations from a carefully selected group of expert speakers, as well as participate in targeted one-on-one research meetings with leading solution providers that meet their individual needs.

KEY THEMES:

TALENT ACQUISITION, MANAGEMENT & RETENTION

The 'War for Talent' is currently raging on across all different companies and industries; this track is designed to explore new techniques, the latest strategies and unique ideas to attract, maintain and retain talent.

LEADERSHIP DEVELOPMENT

Leadership is key and developing leaders in the right way will determine the success of your organization. This track will cover leadership competencies and succession management, coaching for a greater impact, and leadership training.

CULTURE & EMPLOYEE ENGAGEMENT

It starts with your people. This track will present ways to define, refine and enhance your company culture and the engagement of your employees.

HR TECHNOLOGY & ANALYTICS

This track will explore the latest in HR technologies and AI strategies for recruitment, engagement, evaluations and more, as well as HR metrics and analytical tools for success.
