# SUPPORTING AFFIRM

## in NetSuite SuiteCommerce Advanced

Solupay for NetSuite SuitePayments' integration with Affirm increases sales by offering your customers simple, fair and instant financing options in just a few clicks.

### Higher Conversion Rates

Affirm is proven to increase site-wide conversion rates up to 25% more than standard card products. Simple and easy checkout, whether on desktop, mobile or tablets.

### Increased Average Purchase Size

The average increase in basket size with Affirm is 75%.

### Instant Financing Simplified

Limited customer input required. Approvals take seconds, allowing users to checkout anywhere.

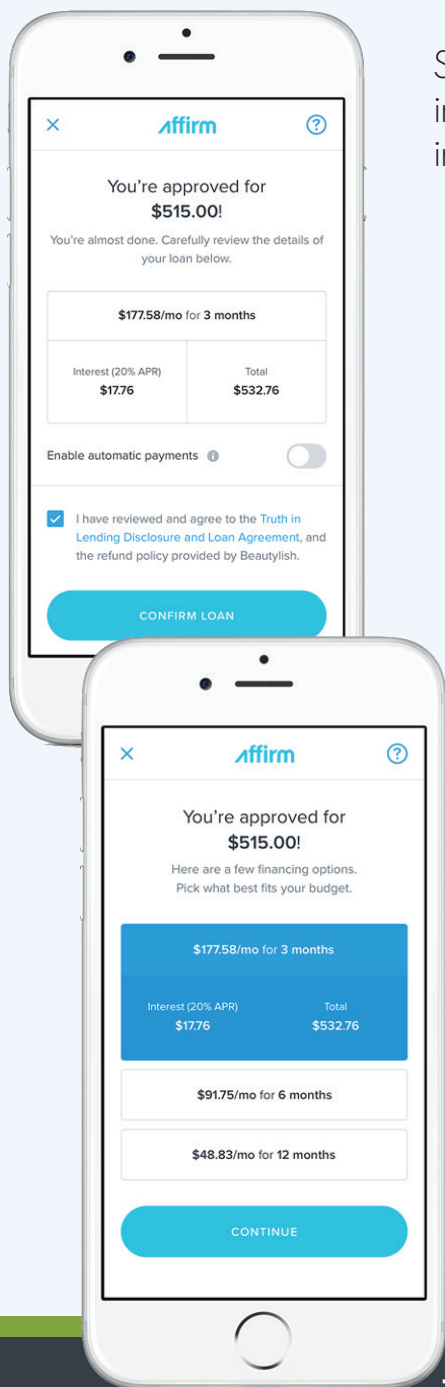

### Additional Merchant Benefits

Merchants get paid on transactions next day with zero chargeback liability!

### How can you take advantage of Affirm's Benefits within NetSuite?

Reach out to Solupay! Our solution minimizes costs, reduces manual processes, eliminates fraud and improves conversions.
