SOLUPAY®
FOR NetSuite SuitePayments

Built for ORACLE NETSUITE

: SIGNIFYD

GUARANTEED FRAUD PROTECTION
FOR eCOMMERCE

SAY GOODBYE TO CHARGEBACKS
Solupay offers Signifyd integrated
with Solupay for Netsuite SuitePayments.

EASY CLAIMS SUBMISSION
It's a quick and easy process to submit a claim. All you need is a tracking
number and chargeback notice.

PAYOUTS WITHIN 48 HOURS
You will receive a refund within 48 hours, which includes chargeback fees
and shipping costs.

AUTO-FULFILL YOUR ORDERS
Signifyd integrates seamlessly with fulfillment systems, or via webhooks
for self-automation.

AUTO-CANCEL YOUR ORDERS
If a customer cancels their order, it cancels in the merchant's system as well.
This ensures orders only go through if you're getting paid.

SIGNIFYD INTEGRATES SEAMLESSLY WITH YOUR
ECOMMERCE PLATFORM THROUGH API.

- No changes to your current eCommerce platform are required
- Simple and efficient integrations with fully documented APIs
- Full data enrichment allows you to see orders coming in instantaneously

machine learning **big data** **liability shift**

1 Eliminate Fraud Liability with our 100% Financial Guarantee

2 Our Approval Rate Averages Over 99% Across Retailers

3 Substantially Increase Your Percentage of Approved Orders
