## Reliability you can count on

When you're ready to serve, so is the all new CYPRUS all-in-one computer. Built to withstand the toughest cafeteria environments day in and day out, for true dependability and reliability.

### **Durability & Dependability**

CYPRUS's screen is protected against liquid spills, and lasts millions of touches.

### **Lower Cost of Ownership**

Pioneer designs each and every CYPRUS unit to last a minimum of 5 years.

### **Coverage When You Need It**

3 year warranty and 2-business day spare-in-the-air advanced replacement available (includes shipping both ways).

### **True Compatibility**

CYPRUS works seamlessly with your Heartland POS solution for complete compatibility.
