

# Before & After Care Payments Made Easy

**MY  
SCHOOL  
BUCKS**

Simplify the collection and management of all your program payments with MySchoolBucks.

## Invoice Parents When Payments Are Due

Select students who participate in your program and automatically notify parents when a payment is due.

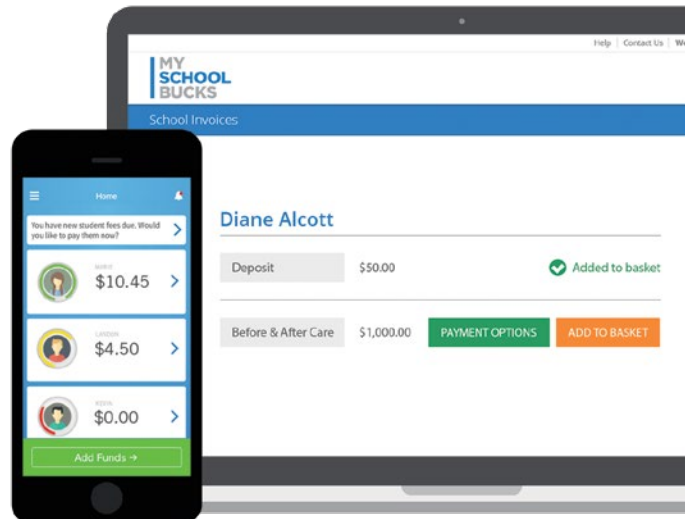

## Set Up Custom Payment Options

Collect payments all at once or create custom payment plans. Parents can pay online or with the mobile app.

## Manage All Program Payments In One Place

Credit card, cash, check, and voucher payments are recorded in one system for streamlined reconciliation.

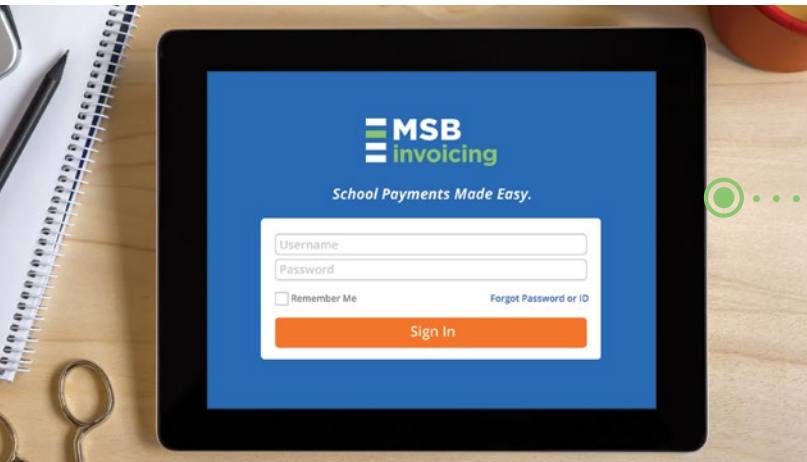

## Reporting You Can Count On

Advanced reporting tools will help you easily identify parents who have paid and those that still owe.

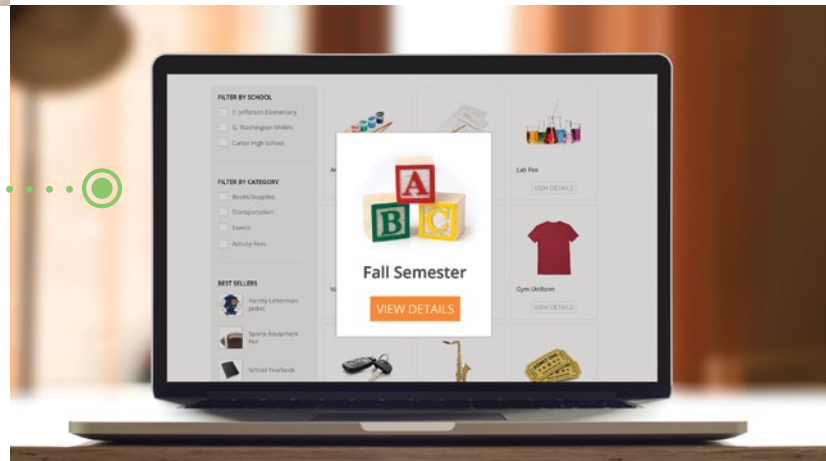

## Collect Program Fees In-Person

Use the MySchoolBucks Invoicing App on an iOS, Android, or Windows tablet to collect payments across your school campus.

## More Ways To Pay

Set up an e-commerce storefront through MySchoolBucks to accept before & after school care or other related school payments.
