

CERTIFICATE

This is to certify that

Benchmark Electronics B.V.

Lelyweg 10
7602 EA
Almelo
Netherlands

has implemented and maintains an **Electrostatic Discharge Control Program**.

Scope:

The manufacture and repair of electronic and electro-mechanical products and components for commercial and aerospace applications. The subcontract development and production of non-sterile and non-implantable electromedical devices.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:

ANSI ESD S20.20-2014

Certificate registration no. 10012148 ESD-2014
Date of certification 2017-12-09
Valid until 2018-12-08
Lead Auditor Carlton W Patterson
