

CERTIFICATE

This is to certify that

Benchmark Electronics Huntsville, Inc.

4807 Bradford Drive
Huntsville, AL 35805
United States of America

has implemented and maintains an **Electrostatic Discharge Control Program.**

Scope:

The manufacture, assembly and test of high technology electronics and electromechanical equipment and hardware for aerospace, space, defense and industrial applications. This includes printed circuit board assembly, systems integration, post shipment aftermarket service and support and test development.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:

ANSI ESD S20.20-2014

Certificate registration no.	10011803 ESD-2014
Date of original certification	2016-01-14
Date of revision	2018-12-13
Date of certification	2019-01-14
Valid until	2020-01-13
Lead Auditor	Richard T. Johnson
