

Quality wind and brass instruments;
making the joy of music
accessible and fun.

pBuzz
Bone
Trumpet

pBuzz®

A totally new instrument; pBuzz is the easiest way to start your trombone journey. With its range of six notes through its moveable slide, slide positions are outlined by colour, note name (i.e. F, G, A, B, Bb, C) and slide position from 1 to 6, enabling children as young as 3 or 4 to gain understanding of pitch and varying length by note, slide position or colour. pBuzz works as a perfect addition in the classroom to recorders, chime bars, and hand percussion and is also available in classroom sets.

Product Specification

- > 5 1/8 inch (130mm) Bell
- > Detachable mouthpiece (will accept any small shank trombone mouthpiece)
- > Coloured slide to help note location
- > Notes and number on slide
- > Lightweight and Durable
- > Closed length: 55 cm
- > Extended length: 81 cm
- > Manufactured in the UK

pBugle®

Product Specification

- > Pitched in Bb
- > 5-inch Bell
- > .459" Bore
- > 7C Mouthpiece
- > Weight 250g / 0.5lbs
- > Tuning slide with water key

The easiest way to start your trumpet journey, the pBugle is inexpensive and robust enough for a child to learn about brass playing through playful exploration. The most affordable way for pupils to begin an authentic journey on the trumpet, pBugle is a real trumpet that can develop authentic beginner brass skills without the complication of learning to play valves. It is an amazing tool for large group brass teaching, concentrating all the focus of learning on the essentials of brass playing: breathing, buzzing, articulation and the harmonic series.

pBone®

pBone, the robust and hassle-free trombone, is the world's first plastic and best-selling trombone! A fun and engaging instrument, pBone is lightweight, extremely durable and available in a range of 8 bright colours. Fantastic value for money, costing around a quarter of the price of beginner brass trombones, it comes with everything you need to play straight away: a smart carry bag which is perfect for rushing between lessons/school/band, two plastic mouthpieces and an array of free supporting online learning resources.

Product Specification

- > Pitched in Bb
- > 8-inch Bell
- > Lockable slide and water-key
- > ABS and GRP
- > Weighs 1.8 pounds (800g)
- > Fabric carry bag, 6.5AL and 11C small shank plastic mouthpieces included
- > Available in 8 colours

► Available colours

	PBONE1BLK	Black

	PBONE1Y	Yellow

pBone Mouthpieces

11C plastic trombone mouthpieces (Small Shank) available in Blue, Black, Green, Orange, Purple, Red, White, Yellow

pBone^b
mini

A mini trombone ideal for young beginners, pBone mini has all the benefits of the pBone but is a smaller and even lighter trombone, perfect for little hands. An Eb alto trombone pBone Mini costs around a third of the price of beginner brass trombones and comes with everything you need to play straight away: a smart fabric carry bag, a unique plastic mouthpiece designed to help children play a wide range of notes, and an array of supporting online learning resources.

pCornet[®]

The lightweight, easy to hold pCornet is a fun and engaging cornet, perfect for younger players. Based on the traditional Shepherd's crook Bb cornet the thoughtful design creates an impressive quality of vibrant sound. Robust, fantastic value and low maintenance, the pCornet is perfect for an education setting, as a first instrument or a spare. It comes with everything you need ready to play; a soft cloth bag to protect it when rushing about between lessons/school/band, two plastic Denis Wick mouthpieces and an array of supporting online learning resources.

Product Specification

- > 4 ¾ inch Bell
- > Unique fully plastic interchangeable valves
- > Durable ABS & POM
- > Adjustable main, first and third tuning slides
- > Weight 1.1 pounds (500g)
- > Pitched in Bb
- > Cloth carry bag and 2 plastic Denis Wick mouthpieces (2B and 4B)
- > Available in 2 colours

Product Specification

- > Pitched in Eb
- > 7-inch Bell
- > Lockable slide and water-key
- > ABS and GRP
- > Weighs 1.1 pounds (500g)
- > Fabric carry bag, pBone mini custom plastic mouthpiece included
- > Available in 2 colours

pTrumpet®

The robust and hassle-free beginner trumpet, pTrumpet is a fun and engaging trumpet experience perfect for beginners. It's innovative design creates a remarkable sound quality, terrific playability and looks really cool and funky. Less than half the weight of a brass instrument, it is very durable and features interchangeable valves, making it perfect for young children. Fantastic value for money, pTrumpet comes with everything you need to play straight away: a fabric bag perfect for rushing between lessons/school/band, two plastic mouthpieces and an array of supporting online learning resources.

Product Specification

- > Pitched in Bb
- > 4 ¾ inch Bell
- > Unique fully plastic valve system with interchangeable valves
- > Durable ABS, POM
- > Adjustable Main, 1st & 3rd Valve Tuning Slides
- > Weighs 1.1 pounds (500g)
- > Fabric carry bag, 3C and 5C plastic mouthpieces included
- > Available in 8 colours

► Available colours

-  PTRUMPET1BLK Black

pTrumpet Mouthpieces

3C and 5C plastic mouthpieces available in Blue, Black, Green, Orange, Purple, Red, White, Yellow

hyTech pTrumpet®

The high quality and affordable trumpet, hyTech is a great player experience suitable for beginners and students at any level. It's innovative design combines metal and polymer to create a hybrid instrument that is free-blowing with an open feel and resonant sound. hyTech is much lighter (less than half the weight!) than traditional brass trumpets, considerably cheaper than most intermediate brass instruments and comes with everything you need to play straight away: a quality padded back pack/gig bag perfect for rushing between lessons/school/band, a 7C Silver plated brass mouthpiece and an array of supporting online learning resources.

Product Specification

- > Bb hybrid metal/polymer trumpet
- > 128 mm bell (5")
- > Lightweight; 650g (1.4lb)
- > 11.65mm, medium large bore (.459")
- > Patented hybrid lead-pipe design
- > Top sprung valves with ABS guides
- > Metal water keys with silicon seals on main and 3rd valve tuning slides
- > Stainless steel sleeved pistons
- > Aluminium top & bottom valve caps, stems and contoured finger buttons
- > 7C Silver plated Brass mouthpiece (works with any standard trumpet mouthpiece)
- > Padded gig bag/back pack
- > Black, gold & silver finishes

► pMouthpieces

Plastic mouthpieces perfect for all playing environments and equally great for buzzing practice. pMouthpieces also work with all normal brass instruments.

- > Anti-microbial protection
- > Black finish
- > Made in Britain
