

Revenue Reports

Gain full visibility of your cash flow!

We'll generate revenue reports for your practice to help you have a better understanding of your financial performance, and make data-driven decisions that empower your practice to earn more.

Detailed and Customized Revenue Reports

Our staff generate revenue reports on your behalf and export them in PDF, CSV, Excel, or text format—whatever you require. **We can also breakdown the reports according to office, provider, procedure, CPT, DX, and many more.**

Depending on your needs, you have the option to request reports to be available on a daily, weekly, monthly, quarterly, and/or yearly basis.

Error-Free Data

We review report information by matching detailed reports with summary reports, to prevent errors and maintain data integrity. **Our remote team intensively reviews billing information** so that the details of the patient statement remain accurate and error-free.
