

# MIPS & MACRA Data Entry

**Achieve consistent and advanced  
MIPS compliance!**

We document your MIPS compliance on your behalf, **so that you can receive your reimbursements and incentives on time** without worrying about penalties!

## Reliable Staff, Comprehensive Recording

Regardless of your specialty, our trusted staff **record the applicable measures on your behalf**. To make sure you meet MIPS performance categories, our staff can:

- Document all the necessary codes.
- Help you identify all the key clinical measures.
- Perform thorough reviews.

Our remote staff coordinate with **a highly experienced team of attestation experts** who:

- Monitor and report progress.
- Provide training and real-time assistance.
- Perform intensive quality control on the reports.

## HIPAA Compliant, High Data Security

You can be sure that your data will remain confidential because our services are **HIPAA compliant**. You can rely on our team to **manage your patients' information securely**—our remote employees are trained in various government-mandated guidelines for healthcare so all your data are in good hands.
