

Eligibility and Benefits Verification

We'll check patient insurance eligibility for you.

Attain seamless patient visits, avoid claim denials, maximize collections, and increase patient satisfaction with DrCatalyst's real-time insurance eligibility and benefits checking.

Improved Patient Convenience, More Revenue

No more repeated back-and-forth communications with insurance companies!

Our remote staff take care of eligibility checking tasks **so you can devote your time into providing more convenient, meaningful and profitable care**. Plus, our staff can provide you with comprehensive and customizable revenue reports to help you see your cash flow.

Get Paid Without the Hassle

Minimize insurance eligibility issues with the help of a dedicated remote team that invests effort in getting you the payments you deserve.

To prevent overlooking payments, our staff set reminders—at certain points during the patient's visit—that state the payments needed before proceeding.

Get Prepared for Patient Face Time

Spend more time on actual patient care, not on paperwork. You can focus on your patient with a professional remote team that checks your patient's insurance status by using payer portals or calling insurance companies. They can also review insurance cards to accurately update the insurance details of your patients.

Rely on a Professional, Certified Team

With DrCatalyst, there's no need to train your remote workforce.

You can rely on a **HIPAA-compliant, IMS-certified remote assistants** whom your patients are able to relate to comfortably even at the post-consultation stage.
