PRESS RELEASE

Rochester Midland Announces West Coast Water Treatment Acquisition

August 5, 2010 – Rochester, NY Effective August 5, 2010, Rochester Midland Corporation (RMC) has acquired Aqua Pro Water Management, Inc. of Martinez, CA. Aqua Pro is a 16-year-old family owned business that services water treatment customers in California. The newly acquired company will merge with the Water Treatment Group of RMC that provides cooling, boiler and closed loop water treatment and services.

“The combined assets of the two companies represent one of the strongest suppliers of water management programs in our served markets,” said Dirk Dunbar, Vice President of the RMC Water Energy Group. “We are very impressed with the quality of the employees and products at Aqua Pro.”

Founded in 1888, Rochester Midland Corporation is a 122-year old Rochester based company, and is a leading supplier in North America of industrial cleaners, restroom care programs, food safety chemicals, water treatment programs and personal care products. Rochester Midland is the leader in Green Housekeeping utilizing third party certified, biobased cleaning products, along with education and training programs for workers and building occupants. Rochester Midland has other manufacturing locations in Illinois, California, Canada, and Wales. RMC has a joint venture in South Africa and distributors in over 50 countries throughout the world. Rochester Midland is committed to developing sustainable solutions for health, productivity and the environment.
