EnviroCare® Foaming Hand Soaps Receive EcoLogo^M Certification

Rochester, NY, — Rochester Midland's new Enviro Care Foaming Hand Soaps have recently obtained EcoLogo^M CCD-104 Hand Cleaner certification. They are available in Peach and Cranberry fragrances. Hand washing is a critical part of your Green Housekeeping program to keep building occupants and visitors healthy and safe. With our refillable bulk foaming dispensing systems, users can encourage hand washing, save money, and reduce packaging waste and transportation associated with bag or cartridge systems. The refillable 1000 mL cartridges are easy to wash or replace to keep sanitary.

A Sustainable Solution

Taken as a whole, the new Enviro Care Foaming Hand Soaps are a sustainable solution. They encourage hand hygiene to prevent the spread of germs. The biobased formula and reduced packaging/transportation with refillable dispensers help the environment. And they save you money.

Rochester Midland offers housekeeping and restroom care programs designed for human health, safety, and the environment. Rochester Midland is the leader in Green Housekeeping and their programs utilize third party certified, biobased cleaning products, along with education and training programs for workers and building occupants. Rochester Midland is committed to developing sustainable solutions for health, productivity and the environment.
