PRESS RELEASE

Enviro Care[®] Liqui Bac Receives EcoLogo^M Certification

August 18, Rochester, NY, — Rochester Midland Corporation's Enviro Care[®] Liqui-Bac has received EcoLogo^M CCD-113 Biologically Based Drain and Grease Trap certification. Enviro Care Liqui-Bac offers a safe alternative to keep drains and grease traps free of soils and odors. Enviro Care Liqui-Bac's biological cleaning digests the fats, oils and greases to keep lines clear and odor free without harsh chemical side effects.

Enviro Care Liqui-Bac is a truly sustainable solution. It is safer for workers to use and does not release harmful chemicals into the waste stream.

Rochester Midland is a world leader in sustainable green cleaning programs for commercial and institutional facilities with over thirty 3rd party certified, biobased products and our Certified Green Housekeeping Training Program. We provide training and education programs for workers and building occupants.

Rochester Midland is committed to developing sustainable solutions for health, productivity and the environment. Rochester Midland is committed to developing sustainable solutions for health, productivity and the environment. For more information, contact Jim Bruno, 585-336-2422 or jbruno@rochestermidland.com or www.rochestermidland.com.
