PRESS RELEASE

New Foaming Hand Sanitizer in ADA Compliant Dispenser from Rochester Midland Provides Twice the Hand Washings Per Bag

Rochester, NY — Rochester Midland introduces a new foaming hand sanitizer, HandGuard® Foaming Alcohol Hand Sanitizer, to complement our hand care program. Hand sanitizing is a critical tool to prevent the spread of germs and keep building occupants and visitors healthy and safe. HandGuard Foaming Alcohol Hand Sanitizer needs no water rinse and ships without flammable hazard DOT. The economical HandGuard Foaming Alcohol Hand Sanitizer dispenses 0.75mL of foam per push, providing twice the number of hand washings per 1000mL bag.

The attractive, contemporary design dispenser will be at home in even the most high end locations and is guaranteed leakproof. It is made from durable ABS plastic and is ADA compliant. The large view window makes it simple to monitor the sanitizer level – no more guessing. The multi-lingual bags of are labeled in English, Spanish and French.

A Sustainable Solution

Taken as a whole, the new HandGuard Foaming Alcohol Hand Sanitizer is a sustainable solution. It encourages hand hygiene to prevent the spread of germs. The dye and fragrance free formula and reduced packaging/transportation help the environment. And it saves you time and money.

Rochester Midland offers housekeeping and restroom care programs designed for human health, safety, and the environment. Rochester Midland is the leader in Green Housekeeping and their programs utilize third party certified, biobased cleaning products, along with education and training programs for workers and building occupants. Rochester Midland is committed to developing sustainable solutions for health, productivity and the environment.
