FOR IMMEDIATE RELEASE

Restoration Cleaners from RMC Are EcoLogo^M Certified

January 18, 2017 Rochester, NY, — Rochester Midland Corporation's PRS Water Damage PreClean and PRS Water Damage PostClean are EcoLogo^M certified. The PRS family of products is transforming the disaster restoration industry. Biological (bacteria-based) cleaning helps break down soils and odors in water damage restoration. The PRS cleaners get the job done quickly, are safer for the environment and people and continue to protect the area long after use.

3rd party certification through EcoLogo is another step in RMC providing the safest, greenest and most innovative cleaning technologies for disaster restoration professionals.

Rochester Midland is the world leader in sustainable green cleaning programs for the disaster restoration industry. With antimicrobials and biological cleaning products for water damage, fire and content cleaning, odor control, carpet cleaning, and fuel oil cleaning, Rochester Midland offers the most sustainable cleaners to help restoration professionals improve their impact on people, profit and the planet.

Rochester Midland is committed to developing sustainable solutions for health, productivity and the environment. For more information, contact Bill Gambacort, 905-971-6251 or bgambacort@rochestermidland.com or www.rochestermidland.com.
