FOR IMMEDIATE RELEASE

### **Rochester Midland Corporation Begins Move to New Corporate Headquarters**

*October 21, 2010 – Rochester, NY* In August Rochester Midland Corporation began the move to its new 167,000 square foot facility in Ogden, NY. RMC plans to complete the move from its old Hollenbeck St. facilities by December 31, 2011.

“We are excited about the move to our new headquarters,” said Mike Coyner, President/Office of CEO. “Our new LEED certified facility will provide more space to meet our growing customer demand, expanded R&D, microbiology and water treatment labs, and new high tech training facilities for hands-on and classroom training for customers and employees.”

Founded in 1888, Rochester Midland is a leading manufacturer of specialty chemicals for food sanitation, industrial cleaning and water treatment as well as housekeeping and restroom care programs designed for human health, safety, and the environment. RMC is a world leader in sustainable green cleaning programs for commercial and institutional facilities with over thirty 3<sup>rd</sup> party certified, biobased products and our Certified Green Housekeeping Training Program. We provide training and education programs for workers and building occupants. Rochester Midland is committed to developing sustainable solutions for health, productivity and the environment.
