### PRESS RELEASE

## Green Seal Certification for Rest Assured Toilet Seat Covers

*Rochester, NY (December 18, 2009)* — Rochester Midland Corporation announces Green Seal® certification for Rest Assured® Toilet Seat Covers. Certified by Green Seal under the GS-1 standard, **Rest Assured Toilet Seat Covers** are made from 100% recycled paper, with 20% post consumer waste. Rest Assured Toilet Seat Covers are available in both half fold and quarter fold in a variety of package sizes.

Rest Assured Toilet Seat Covers are neat, healthy and smart. They provide peace of mind to restroom users while helping facilities reduce cleaning costs and paper usage. And they are made from recycled paper and are biodegradable, a sustainable solution from Rochester Midland.

Third party certification of green products gives the customer assurance that the product is truly green, not “green washed.” This new certification complements RMC’s existing line of green certified products and the RMC Certified Green Housekeeping Program.

Rochester Midland offers housekeeping and restroom care programs designed for human health, safety, and the environment. Rochester Midland is the leader in Green Housekeeping and their programs utilize third party certified, biobased cleaning products, along with education and training programs for workers and building occupants. For more information, contact Karen Durbin, 585-336-2351 or [kdurbin@rochestermidland.com](mailto:kdurbin@rochestermidland.com).
