DATAMATICS FEATURES AMONG FASTEST GROWING TECH COMPANIES IN ASIA-PACIFIC

Mumbai, 6th February 2015: Datamatics Global Services Limited (DGSL) announced that they have been featured among the fastest growing technology companies in Asia-Pacific. Datamatics made it to the Technology Fast 500™ ranking by Deloitte – a list that recognizes the fastest growing companies in Asia-Pacific based on their percentage growth in revenue over the last three years. The Deloitte lists honours companies that show consistent growth over a significant amount of time ensuring both excellence and consistency.

“We are honoured to be on this distinguished list”, said Rahul Kanodia – Vice Chairman & CEO, DGSL. Rahul added, “Our growth in the last three years speaks about our innovative business solutions and customer centric approach. We are proud to help our clients navigate in the rapidly changing business environment. By leveraging technology we have been able to help enterprises reach new levels of customer engagement, remain competitive and achieve greater efficiency.”

The Deloitte Technology Fast 500 Asia Pacific is the pre-eminent technology awards programme in Asia Pacific, and is now in its thirteenth year. Combining technological innovation, entrepreneurship and rapid growth, Technology Fast 500 companies — large, small, public, and private — span a variety of industry sectors. These companies are also leaders in emerging fields of interest and are transforming the way business is done today.

About Datamatics Global Services Limited
