

# PRESENTATION OPTIONS GUIDE

## AWARD PRESENTATION OPTIONS

When you sign up with Awards Network, you will receive the choice of four different presentation options for notifying your award recipients of their achievement and reward. Each presentation option will be fully customized to match your reward website, which will follow your creative direction as well as your company's branding guidelines.

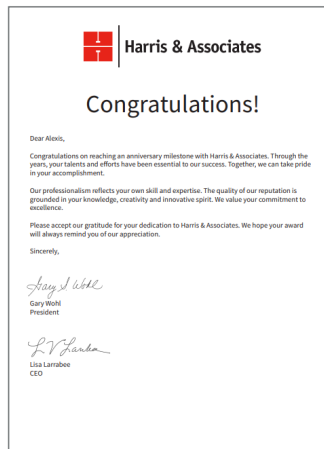

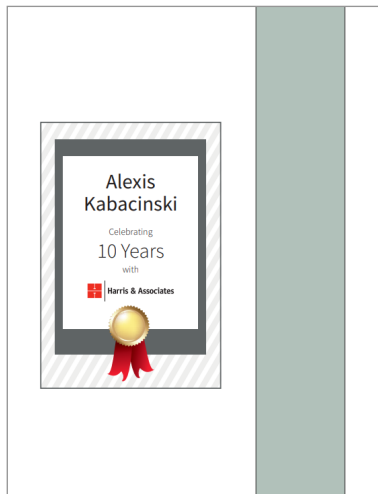

Each of the four options includes a customizable congratulatory message, directions for reaching your company's reward website, and unique login credentials for each recipient to access the lifestyle reward catalog.

## OPTION 1: AWARD PACKET

**\$4.00 per packet + shipping**

The Award Packet is our deluxe presentation option and is ideal for service milestone awards or other appreciation related awards. This formal printed option contains five customizable pieces including a signed congratulatory letter, certificate of appreciation, sample reward catalog and order form, all packaged together inside of a portfolio cover and sealed with silver band. Instructions for ordering, either online or by mail, are included in this presentation option. Each piece can easily be removed from the portfolio so that it can be saved or framed to hang in a special place.

## OPTION 2: AWARD BOOKLET

**\$3.00 per booklet + shipping**

The Award Booklet is the perfect presentation option for company events and dinners. This printed option is bound together like a magazine, so all of the pieces stay intact and nothing gets lost on the way home. The inside front cover includes a spot for a signed congratulatory letter, while the inside back cover contains an order form and instructions for placing either a mail-in or online order. In the center of the booklet is a sample reward catalog containing a few pages of our most popular items. The final product is packaged inside a white envelope with the recipient's name.
