

## E-CARD FEATURES

E-cards are a fun, interactive feature that excites employees and encourages participation in the award program. Employees can send online e-card messages to one another 24/7.

Select up to five complimentary e-cards from Awards Network's library. Additional e-cards can be purchased in packages of 5 for \$250. Custom e-card designs are available upon request (inquire for cost). Employees can send e-cards with or without points.
