Subject: **Out of town? Consider setting up a recurring gift**

Hello **<first name>**!

More and more often, people only make it to church once or twice a month. Work, travel, young children, and other weekend commitments are keeping people from physically attending services. We know life can get busy so we invested in a platform that makes scheduling your giving easier than ever. You can still support our church's vision, even when you're not with us on Sunday.

Scheduling your giving in advance allows us to better serve our church family and our community. Would you consider setting up a recurring gift?

Recurring giving is secure and so simple it only requires a one-time set up. You can make edits or changes to your gifts any time you want. Click here **<Action Link>** to set up a recurring gift with Give.Church.

Thanks again, **<First Name>**!
