

Wundamail Partner Program FAQs

How do I log into the portal?

Simply go to www.wundamail.tapfiliate.com and click sign in on the top right hand corner. You cannot access the portal log in from the main Wundamail site.

How do I get credit for my sales?

This is all linked back to your unique referral code. Simply add this to any Wundamail URL and the tracking cookies will do the rest, to ensure you're credited for that lead. You'll receive your unique referral code upon registration, but you can also find your unique referral code on the assets page of the portal, together with social media posts that are already linked to your code.

How do I share a Wundamail web page?

You can share Wundamail web pages and Wundamail blogs the same as any other link. Simply add your unique referral code to the end to ensure you get credited. I.e. <https://www.wundamail.com/blog/young-professionals-dont-care-about-your-free-coffee-perks?ref=yournamehere>

How do I add Wundamail to my email signature?

Open settings in your email, and then click email signature. You can then copy and paste the Wundamail banner image in. You will then need to highlight the image, and select the link button. You'll get a pop up that looks like this:

Where it says “To what URL should this link go to?” you can simply copy and paste your link: i.e. <https://www.wundamail.com/?ref=yournamehere>
