

# EMPLOYMENT CONNECTIONS

8 March 2019

Welcome to our new weekly information update focused on employment options and outcomes for any seeking to secure or enhance their current employment outcomes.

We are excited to be one of the few training providers to have fully integrated employment support solutions for our graduates with a dedicated team aligned to helping graduates secure employment post training.

## EMPLOYMENT UPDATE

**70%**  
Plus  
**Employment**

ASSET is proud to have **employment referral relationships with over 30 major National and Regional Employers** within the Security Sector and are growing these formal relationships with many other employers across business and retail. We work tirelessly with our employer partners to ensure direct referral opportunities for graduates to roles, often not even advertised.

We are pleased to be welcoming back **Rebecca White** to the team, managing our employment services, assisting graduates seeking employment link direct with the right employers.

Statistically over **70%** of graduates that engage with our complimentary 'post training' employment support services gain employment via ASSET!

## SECURITY SECTOR - COMPLIMENTARY POST TRAINING EMPLOYMENT COACHING AND PRE-SCREENING SUPPORT

Every Security Operations Graduate in S.E Queensland is offered complimentary employment coaching and 'pre-screening' services.

This unique service is designed to make a trained individual an employable asset to our employer partners.

Every week, we provide **complimentary employment coaching** to anyone who has lodged their Security Licence and are seeking employment support. We review their presentation, resume, voicemail and arm them with preparation tips for their interviews. **Our employer partners love it** – as we take away the hard work from their HR processes and as a result we always get **great outcomes**.

**We will be soon be offering this service to all Certificate III Graduates** - either at a scheduled face to face event or via ZOOM Conferencing. Stay tuned.

## STUDENT SUCCESS STORY

**My name is Louise Taylor. I am a single mother of six kids since my husband passed away in 2004.**

I have always performed any work that was available to me during the upbringing of my children. It was mostly low paying roles in the dry cleaning industry and then moving on to the food processing industry until I had developed carpal tunnel and arthritis in my hands.
