

# EMPLOYMENT CONNECTIONS

12 March 2019

Every Tuesday – we will keep up updated with employment focused activities at Asset College. This week’s focus is Aviation Security Employment, information on ‘GO-ASSET’ - our employment focused education program and a reminder regarding Back to Work funding opportunities for Queensland Job Seekers.

## EMPLOYMENT UPDATE

ASSET are the Australian Leader in the delivery of Nationally Recognised Aviation and Maritime Protection Security Qualifications, supporting key National employer partners including ISS, MSS Security, SNP Security and Trident Services Australia.

ISS Facility Services employ over 13,000 people in Australia and over 485K people worldwide, including the provision of security screening services at over 100 Airports worldwide.

ASSET are proud to have been the key partner of ISS for many years, helping service employment outcomes at major Australian Airports including Brisbane Airport – about to open its new Runway in mid 2020 resulting in **growth in employment opportunities for Aviation Security Protection Officers.**

In addition to ISS, ASSET is proud to have **employment referral** and training partnerships with MSS Security (Qantas), SNP Security (Adelaide, Qantas Freight, Sydney & Sunshine Coast Airports) and Trident Services (Townsville / Mackay Airports).

Brisbane Airport is already home to **over 430 businesses and nearly 23,000 employees!** It is estimated by 2035 the new runway will lead to the **creation of 7,800 new jobs** and contribute an additional \$5 billion in annual economic benefit to the region. Brisbane is currently Australia's third-busiest airport, with **passenger numbers forecast to double to around 50 million** by 2035, potentially resulting in Brisbane becoming the 2<sup>nd</sup> largest Airport in Australia.

- Student tracking & accountability every step of the way
- Real Trainers supporting student outcomes on-site
- Integrated Employment Readiness Coaching and Placement Support

## STUDENT SUCCESS STORY

### Landscaper at 19, Aviation Screener by 20!

Before starting the path into security I was a landscaper. After doing that for about two years out of high school I wanted to try something different. Asset contacted me knowing that I was interested in doing security and invited me to an information session about it. Not knowing anything about the industry and this was to be my first impression of it.

I'm now working at ISS and it's been great! The staff/team I've been working with have been amazing! I couldn't be happier.
